**Dinka Folktales** Francis Mading Deng, 1974      Dinka Folktales, 1974      THE DINKA FOLKTALES Jacob Manyon Dhieu Chol, 2021-06-25 In a massive effort at chronicling the fables and stories of the Dinka people Jacob Manyon Dhieu Chol has preserved a long standing oral tradition in written form This book is a useful tool for future generations to engage learn and connect with their culture It is suitable for readers of all ages and is a great introduction to the customs and culture of the Dinka people      Dinka Folktales Francis Mading Deng, 1974      Two Dinka Folktales Gabriel Ajang, Renee Christman, Paula Kelly, 2018-12-27      War of Visions Francis M. Deng, 2011-10-01 The civil war that has intermittently raged in the Sudan since independence in 1956 is according to Francis Deng a conflict of contrasting and seemingly incompatible identities in the Northern and Southern parts of the country Identity is seen as a function of how people identify themselves and are identified in racial ethnic cultural linguistic and religious terms The identity question related to how such concepts determine or influence participation and distribution in the political economic social and cultural life of the country War of Visions aims at shedding light on the anomalies of the identity conflict The competing models in the Sudan are the Arab Islamic mold of the North representing two thirds of the country in territory and population and the remaining Southern third which is indigenously African in race ethnicity culture and religion with an educated Christianized elite But although the North is popularly defined as racially Arab the people are a hybrid of Arab and African elements with the African physical characteristics predominating in most tribal groups This configuration is the result of a historical process that stratified races cultures and religions and fostered a passing into the Arab Islamic mold that discriminated against the African race and cultures The outcome of this process is a polarization that is based more on myth than on the realities of the situation The identity crisis has been further complicated by the fact that Northerners want to fashion the country on the basis of their Arab Islamic identity while the South is decidedly resistant Francis Deng presents three alternative approaches to the identity crisis First he argues that by bringing to the surface the realities of the African elements of identity in the North thereby revealing characteristics shared by all Sudanese a new basis for the creation of a common identity could be established that fosters equitable      *Dinka Folktales from Sudan* Companion House Assisting Survivors of Torture & Trauma, 2008 This book with accompanying audio CD in English and Dinka contains six traditional Dinka folktales from Sudan retold by Dinka refugee women living in Canberra and illustrated by Dinka children      *Historical Dictionary of South Sudan* Douglas H. Intellectuals in the Global Milieu Capturing Cultural Capital propels Sudanese intellectuals into the global intellectual milieu and argues for their place in world intellectual history The contributors posit that Sudan is currently in its most uncertain and perhaps most generative period as the unrest conflicts and upheavals of the twentieth and twenty first centuries threw Sudanese intellectuals and activists into identity economic environmental religious and existential crises Despite these crises the unrest has created a period of knowledge production and cultural production in Sudan The contributors to the collection are Sudanese intellectuals who explore the history and evolution of knowledge production thought and cultural capital in Sudan      Dinka Folktales Jacob J. Akol, 2007 This book outlines the step by step wedding process in traditional Gusii society written originally in Ekegusii Kisii as Enyangi y Ebitinge      *Genocidal Nightmares* Abdelwahab El-Affendi, 2016-07-28 This

book offers a novel and productive explanation of why ordinary people can be moved to engage in destructive mass violence or terrorism and the abuse of rights often in large numbers and in unexpected ways Its argument is that narratives of insecurity powerful horror stories people tell and believe about their world and others can easily make extreme acts appear acceptable even necessary and heroic As in action or horror movies the script dictates how the hero acts The book provides theoretical justifications for this analysis building on earlier studies but going beyond them in what amount to a breakthrough in mapping the context of mass violence It backs its argument with a large number of case studies covering

four continents written by prominent scholars from the relevant countries or with deep knowledge of them A substantial introduction by the UN s Special Advisor on the Prevention of Genocide demonstrates the policy relevance of this path breaking work     Sudan Notes and Records ,1918     **The Bulletin of the Southern Association of Africanists** Southern Association of Africanists (U.S.),1980     *Myths & Folktales* Jacob Jiel Akol,2022-02-27     Africa Contemporary Record Colin Legum,1975-07     **The African Book Publishing Record** ,2009     **Anthropos** ,1920     Southern Sudan: V. 1&2 Terje Tvedt,2004-08-27 This comprehensive bibliography presents researchers consultants planners aid organizations and others with the most comprehensive overview of the literature on the Sudan It covers all fields and disciplines and all types of literature To facilitate ease of use it is organized according to important topics of regional development agriculture and pastoralism anthropological British and European colonialism Christian mission and church related studies development issues fisheries health pre colonial history language and language studies natural sciences politics ethnic and religious strife travel and geography and water and climate Volume two contains detailed reports produced by consultants governments NGOs and UN and International Aid Organizations It also has an inventory of NGO and UN organizations working in the region and a chronology of events to put the bibliographical information in context     **Southern Sudan: Pt.1 V.1** Terje Tvedt,Kjell Hødnebo,2004-08-27 This comprehensive bibliography presents researchers consultants planners aid organizations and others with the most comprehensive overview of the literature on the Sudan It covers all fields and disciplines and all types of literature To facilitate ease of use it is organized according to important topics of regional development agriculture and pastoralism anthropological British and European colonialism Christian mission and church related studies development issues fisheries health pre colonial history language and language studies natural sciences politics ethnic and religious strife travel and geography and water and climate
