Dion Fortunes The Esoteric Philosophy Of Love And Marriage:

The Esoteric Philosophy of Love and Marriage Dion Fortune, 2025-09-12 Dion Fortune's basic esoteric textbook on the psychology of love and relationships gives a simple explanation of the universal factors governing interaction between masculine and feminine from the lowest to the highest level of the Seven Planes. An important work for Dion Fortune collectors.

The Esoteric Philosophy of Love and Marriage (Aziloth Books) Dion Fortune, 2014-05-22 Dion Fortune is justly regarded as one of the foremost occultists of modern times, an acknowledged adept whose clear, concise and down-to-earth approach has been responsible for bringing knowledge of the occult sciences to a much wider reading public. *The Esoteric Philosophy of Love and Marriage* is one of her earliest books in which she describes the occult meaning of marriage and love as manifestations of the principle of Sex or Polarity, a universal force that functions from the highest to the lowest planes of existence. Topics covered include the Ideal Marriage, the Karmic ties between souls, how souls find their mates, and the esoteric teaching concerning twin souls. The book's stance on such topics as contraception, masturbation, and abortion may appear puritanical to modern eyes, but Dion Fortune gives solid esoteric reasons for her statements, reasons that raise questions concerning the wisdom of today's moral relativism. A must-read for any occultist interested in one of the most fundamental aspects of life on this and all other planes of existence.

The Occult Novels of Dion Fortune Georgia van Raalte, 2025-01-28 This monograph explores the work of Dion Fortune, one of the most prolific British occult authors of the interwar period, and her claim that her books had an initiatory quality. She held that reading her books and meditating on their contents could produce a lasting change in consciousness, which in turn could lead to lasting changes in an individual's life. This book aims to rehabilitate a figure largely forgotten by both the fields of Literature and of Esotericism and proposes a framework for analysing initiatory fiction and the experience of fictional initiation. The study presents a new avenue for research and theoretical perspective on literary texts from the Occult Revival as well as on famed modernist texts and more contemporary occult fiction.

Hartmann's Who's who in Occult, Psychic and Spiritual Realms...in the United States and Foreign Countries, 1927

The Occult Imagination in Britain, 1875-1947 Christine Ferguson, Andrew Radford, 2017-12-15 Between 1875 and 1947, a period bookended respectively by the founding of the Theosophical Society and the death of notorious occultist celebrity Aleister Crowley, Britain experienced an unparalleled efflorescence of engagement with unusual occult schema and supernatural phenomena such as astral travel, ritual magic, and reincarnationism. Reflecting the signal array of responses by authors, artists, actors, impresarios, and popular entertainers to questions of esoteric spirituality and belief, this interdisciplinary collection demonstrates the enormous interest in the occult during a time typically associated with the rise of secularization and scientific innovation. The contributors describe how the occult realm functions as a turbulent conceptual and affective space shifting between poles of faith and doubt, the sacrosanct and the profane, the endemic and the exotic, the forensic and the fetishistic. Here, occultism

emerges as a practice and epistemology that decisively shapes the literary enterprises of writers such as Dion Fortune and Arthur Machen artists such as Pamela Colman Smith and revivalists such as Rolf Gardiner *The Story of Dion Fortune* Charles Fielding, Carr Collins, 1985 **Dion Fortune's Psychic Self-defence** Dion Fortune, 1988 **Handbook of Contemporary Paganism** Murphy Pizza, James R. Lewis, 2009 Contemporary Paganism is a movement that is still young and establishing its identity and place on the global religious landscape The members of the movement are simultaneously growing unifying and maintaining its characteristic diversity of traditions identities and rituals The modern Pagan movement has had a restless formation period but has also been the catalyst for some of the most innovative religious expressions praxis theologies and communities As Contemporary Paganism continues to grow and mature new angles of inquiry about it have emerged and are explored in this collection This examination and study of contemporary Paganism contributes new ways to observe and examine other religions where innovations paradoxes and inconsistencies can be more accurately documented and explained **The Quest**, 1927 **The Theosophist**, 1925 **W.B.
