theater director Isaac Butler chronicles the history of the Method in a narrative that transports readers from Moscow to New York to Los Angeles from *The Seagull* to *A Streetcar Named Desire* to *Raging Bull*. He traces how a cohort of American mavericks including Stella Adler, Lee Strasberg, and the storied Group Theatre refashioned Stanislavski's ideas for a Depression-plagued nation that had yet to find its place as an artistic powerhouse. The Group's feuds and rivalries would in turn shape generations of actors who enabled Hollywood to become the global dream factory it is today. Some of these performers the Method would uplift; others it would destroy. Long after its midcentury heyday, the Method lives on as one of the most influential and misunderstood ideas in American culture. Studded with marquee names from Marlon Brando, Marilyn Monroe, and Elia Kazan to James Baldwin, Ellen Burstyn, and Dustin Hoffman, *The Method* is a spirited history of ideas and a must-read for any fan of Broadway or American film.
