About the Book In India the Companies are managed by the directors who are collectively called as the Board of Directors. The concept of Corporate Governance has brought drastic changes in the composition of Board of Directors which has introduced few new categories of directors such as Independent Directors, Woman Directors, Resident Directors etc. This book covers a detailed discussion on duties of directors to aid the readers in understanding the nitty gritty of all the relevant provisions of the Companies Act 2013, SEBI Listing Obligations and Disclosure Requirements Regulations 2015 and Secretarial Standards in a simple and easy to refer format. The intention is to provide an idea about the provisions and responsibilities of the persons who are working in the capacity of directors as well as who are proposed to get appointed as such. It is divided into various chapters providing an exhaustive write up on various provisions relating to directors starting from the eligibility of a person to get appointed as a director in the company till the liabilities of a person as a director under the liquidation and winding up of a company.
