

A black and white photograph of a classroom. In the foreground, several rows of students are seated at their desks, looking towards the camera. They are of various ages and ethnicities. In the background, a teacher stands at the front of the class, near a chalkboard. The text "CANADIAN RESIDENTIAL SCHOOLS" is overlaid in a large, serif font, with a decorative flourish underneath it.

Directory Of Canadian Residential Schools:

The Handbook of Canadian Boarding Schools Ashley Thomson, Sylvie Lafortune, 1999-09-01 Private schools have frequently provided innovative experimental and creative programs unavailable to students in the public system. The most successful have survived and expanded by offering an educational experience widely perceived to be not just as good as that available in the public system but better. In Canada, private schools are enjoying an unprecedented popularity and while most are day only, over sixty sustain boarding programs as do two off shore Canadian schools. The Handbook of Canadian Boarding Schools presents information on the educational environment of each province then offers comparative information on each boarding school. The information on each school includes basic data, location, history, philosophy, the campus, boarding facilities, health and safety, administration and faculty, student body and student conduct, academic calendar and program information, technology, student activities and student conduct, admission and costs. The Handbook also supplies several appendices outlining important programs often available through boarding schools such as Advanced Placement courses and the International Baccalaureate. For parents in Canada and abroad about to commit substantial sums to their children's education, the Handbook of Canadian Boarding Schools is an essential tool to help them make the right decision. It is also an indispensable resource for supporters of the public system looking for ideas that have worked elsewhere. Directory of Canadian Private Residential Schools Ashley Thomson, Edwin Higgins, 1986 *Directory of Residential Schools in Canada*, 2007 *Guide to Reference Materials for Canadian Libraries* Kirsti Nilsen, Alanna Kalnay, Claire England, University of Toronto. Faculty of Library and Information Science, 1992. About itself the 8th edition notes: Primarily intended as an instructional guide for library personnel and researchers who work with reference materials, the Guide surveys the basic and most familiar or typical resources for general reference work and for work with the disciplines of the humanities, social sciences and pure and applied sciences. The 7th edition titled *Guide to basic reference materials* is recommended by ARBA v 16 but is missed by BCL3 and Sheehy. A solid work marred by the flimsy paper binding, a shockingly bad production decision, a bibliography gets repeated use. Annotation copyrighted by Book News Inc, Portland, OR.
