Dirk Bogarde Rank Outsider:

Dirk Bogarde Sheridan Morley, 1999 From his birth in a taxi to his status as a best selling author here is the story of Dirk Bogarde one of the best loved and greatest film stars Britain has ever produced Sheridan Morley's engaging biography handsomely illustrated with 150 photographs looks at the early years his distinguished career in films like *Death in Venice* *The Night Porter* and *A Bridge Too Far* and the acclaim that came to Bogarde later in life as an accomplished novelist and memoirist Sheridan Morley who knew Bogarde for more than two decades draws on their many years of conversations and interviews The result is an absorbing portrait of a private supremely talented man who did perhaps always remain something of an outsider *Dirk Bogarde* Sheridan Morley, 1999 Sheridan Morley's biographical study looks at the early film years the mid life career and the late life acclaim that has come to Dirk Bogarde as film star novelist and prolific autobiographer

Dirk Bogarde Sheridan Morley, 1996 Sheridan Morley's biographical study looks at the early film years the mid life career and the late life acclaim that has come to Dirk Bogarde as film star novelist and prolific autobiographer *Ever, Dirk* John Coldstream, 2011-09-08 The hitherto unpublished Dirk Bogarde the best of his marvellous letters The success of John Coldstream's bestselling biography of Dirk Bogarde demonstrates that the interest in one of Britain's leading actors memoirists and novelists does not diminish even though it is a decade since his death Bogarde was a secretive man who destroyed many of his own papers and diaries Fortunately the recipients of his letters treasured them enabling John Coldstream to bring together this fascinating collection of hitherto unpublished material Bogarde wrote to each correspondent according to the nature of the friendship but invariably he was frank gossipy funny and often malicious The joy of writing particularly as he grew older and chose to live in France was never far away The letters display the qualities familiar to those who knew the private Bogarde acute observation laser like intelligence impatience with the foolish compassion for the needy a relish for the witty metaphor and a catastrophic disdain for correct spelling and punctuation Above all to read his letters is to hear him talk and no conversation with Dirk Bogarde was dull Recipients included the film director Joseph Losey Bogarde's first publisher Norah Smallwood the film critic Dilys Powell and the novelist Penelope Mortimer **Shrinking Violets** Joe Moran, 2017-02-21 The author of *Armchair Nation* and *On Roads* examines shyness in a sparkling cultural history ranging from Jane Austen to Silicon Valley *The Guardian* Shyness is a pervasive human trait even most extroverts know what it is like to stand tongue tied at the fringe of an unfamiliar group or flush with embarrassment at being the unwelcome center of attention And yet the cultural history of shyness has remained largely unwritten until now With incisiveness passion and humor Joe Moran offers an eclectic and original exploration of what it means to be a shrinking violet Along the way he provides a collective biography of shyness through portraits of such shy individuals as Charles Darwin Charles Schulz Garrison Keillor and Agatha Christie among many others In their stories often both heartbreaking and inspiring and through the myriad ways scientists and thinkers have tried to explain and cure shyness Moran finds hope To be

shy he decides is not simply a burden it is also a gift a different way of seeing the world that can be both enriching and inspiring Fantastic and involving A feat of empathy Every page radiates understanding every paragraph its shy author s gentle wit The Observer Whether you re boldly outgoing or reticent and self effacing you ll find something to inspire inform or surprise in this thoughtful beautifully written and vividly detailed cultural history Susan Cain New York Times bestselling author of Quiet

Romanticism and Film Will Kitchen,2020-11-26 The relationship between Romanticism and film remains one of the most neglected topics in film theory and history with analysis often focusing on the proto cinematic significance of Richard Wagner s music dramas One new and interesting way of examining this relationship is by looking beyond Wagner and developing a concept of audio visual explanation rooted in Romantic philosophical aesthetics and employing it in the analysis of film discourse and representation Using this concept of audio visual explanation the cultural image of the Hungarian pianist and composer Franz Liszt a contemporary of Wagner and another significant practitioner of Romantic audio visual aesthetics is examined in reference to specific case studies including the rarely explored films Song Without End 1960 and Lisztomania 1975 This multifaceted study of film discourse and representation employs Liszt as a guiding thread structuring a general exploration of the concept of Romanticism and its relationship with film more generally This exploration is supported by new theories of representation based on schematic cognition the philosophy of explanation and the recently developed film theory of Jacques Rancière Individual chapters address the historical background of audio visual explanation in Romantic philosophical aesthetics Liszt s role in the historical discourses of film and film music and various filmic representations of Liszt and his compositions Throughout these investigations Will Kitchen explores the various ways that films explain or make sense of things through a Romantic aesthetic combination of sound and vision
