As owner of Dirty Deeds a tech savvy company specializing in the age old art of revenge Eden Smith knows first hand that secrecy is critical But when a dead body washes up on the shores of Lake Michigan clutching her business card Eden s well constructed world begins to fall apart Apparently she s not the only one with a passion for payback and staying alive to outsmart a killer has become her most important job of all A Game for a Game Hardened homicide detective Kelly Riordan is convinced Eden Smith is hiding more than she s willing to admit Years on the force have taught him that nothing is what it seems and that couldn t be truer than when it comes to investigating the alluring owner of a revenge for hire business But revealing her past could put everything Eden has worked for in jeopardy And trusting a man like Riordan goes against the very instincts that have kept her alive this long *EYE CONTACT - the Mysterious Death in 2000 in Maine of Kassidy Bortner and the Wrongful Conviction of Chad Evans in New Hampshire* Morrison Bonpasse,2011-08-17 Chad Emery Evans was wrongfully convicted in December 2001 in New Hampshire of the murder of Kassidy Bortner the 21 month old daughter of his girlfriend Amanda Bortner The causes of her death and her injuries are mysterious and disputed but Chad was convicted of second degree murder On June 2 2000 Chad met Amanda and their relationship grew rapidly By early July Amanda and Chad were living together Chad s three year old son Kyle also lived in the home several days a week through shared custody with Chad s former wife On the morning of November 9 2000 Amanda took Kassidy to the Kittery Maine home of her sister Jennifer Bortner and her sister s boyfriend Jefferey Marshall for babysitting for the day Kassidy had a new bruise on one eye due to an accident the previous night when Chad was giving Kyle some batting practice with a brown plastic bat in Kyle s bedroom just before bedtime While wiffle balls were usually used for such fun the ball that Kyle hit into Kassidy s eye was a Tee ball The resulting bruise to Kassidy s left eye was the latest of a series of bruises which had been observed by many people during the fall of 2000 In a time of growing sensitivity to child abuse most of the responsible adults close to Kassidy chose to believe that the bruises and injuries were unfortunate accidents and that they didn t require medical care right away The life threatening severity of the injuries was not known or suspected by anyone Tragically those adults including Chad Evans were unaware that there was something very wrong with Kassidy because of the accidents or perhaps because of a chronic condition disease or toxin Chad Evans never spanked nor hit Kassidy Bortner He loved and cared for her Shortly after Noon on the 9th Jeff Marshall checked on Kassidy and recognized that she was in trouble and seemingly lifeless and he made several phone calls for help The EMT s and Kittery Police arrived quickly but Kassidy was dead when they arrived As the man living with Kassidy s mother Amanda Bortner Chad Evans was an initial suspect By the time of Chad s 7 10 p m interview with the police and within about seven hours of Kassidy s death the police were focused entirely on Chad and worked thereafter to build the case against him At his December 2001 trial Chad took his attorneys

advice not to testify and his attorneys decided to call only one defense witness They called the nationally renowned forensic pathologist Dr Michael Baden as they thought his testimony was sufficient to establish the reasonable doubt needed for a not guilty verdict However their assessment was wrong and the jury found Chad guilty of most of the charges In November 2002 Amanda Bortner was tried and found guilty of two counts of child endangerment and sentenced to two years in jail In 2011 Chad Evans began his tenth year in the New Hampshire State Prison for crimes he didn t commit He passed a lie detector test given in July 2010 In September 2010 a report was discovered of a DNA test conducted by the Maine State police in March 2001 The test on blood found underneath all ten of Kassidy Bortner s fingernails showed that the blood belonged to Kassidy The DNA test on the substance on a paper towel found where Kassidy was sitting on the day she died showed saliva that belonged to a male Prior to Chad s trial the existence of the blood was in a report available to his defense lawyers but it was not mentioned by anyone on either side at the trial The DNA test and report was never disclosed to the defense Also not disclosed was information about Kassidy s medical appointments in August and September 2000 The jury also did not know about a family gathering four days before Kassidy died where only one bruise was seen on her right cheek Eye Contact tells the story of the wrongful convictions of Chad and Amanda and the campaign for exoneration *Dirty Deeds* Nancy J.

Taniguchi,2016-10-27 The California gold rush of 1849 created fortunes for San Francisco merchants whose wealth depended on control of the city s docks But ownership of waterfront property was hotly contested In an 1856 dispute over land titles a county official shot an outspoken newspaperman prompting a group of merchants to organize the San Francisco Committee of Vigilance The committee which met in secret fed biased stories to the newspapers depicting itself as a necessary substitute for incompetent law enforcement But its actual purpose was quite different In *Dirty Deeds* historian Nancy J Taniguchi draws on the 1856 Committee s minutes long lost until she unearthed them to present the first clear picture of its actions and motivations San Francisco s real estate comprised a patchwork of land grants left from the Spanish and Mexican governments grants that had been appropriated and sold over and over Even after the establishment of a federal board in 1851 to settle the complicated California claims land titles remained confused and most of the land in the city belonged to no one The acquisition of key waterfront properties in San Francisco by an ambitious politician motivated the thirty odd merchants who called themselves the Executives of the Vigilance Committee to go directly after these parcels Despite the organization s assertion of working on behalf of law and order its tactics kidnapping forced deportations and even murder went far beyond the bounds of law For more than a century scholars have accepted the vigilantes self serving claims to honorable motives *Dirty Deeds* tells the real story in which a band of men took over a city in an attempt to control the most valuable land on the West Coast Ranging far beyond San Francisco the 1856 Vigilance Committee s activities affected events on the East Coast in Central America and in courts throughout the United States even after the Civil War

From The New York Times, Wall Street Journal, and USA Today best-selling author of *The Pact* and *Sins*, Needles comes the next standalone novel in the gritty romantic suspense Dirty Angels Trilogy: DIRTY DEEDS. As a flight attendant, Alana Bernal has had her share of suitors. She's also had more than her fair share of tragedy within her messed-up family. But what she hasn't had is love. Real rip-your-heart-out, tear-your-clothes-off-all-consuming love. At least that was the case until she met an American tourist, Derek Conway, a ripped ex-soldier with steely eyes and a commanding presence. What started as a chance encounter between the two in Puerto Vallarta, a weekend full of hot sex and mindless passion, has led to something more. Something deadly. Because Derek isn't the type of man to fall in love. He's not a man who sticks around. And he's definitely not in Mexico on vacation. Derek is a mercenary, a killer for hire, a man who does the ugly jobs for the highest bidder. Unfortunately for Alana and Derek, the highest bidder has the power to destroy whatever worlds they have created for themselves. The highest bidder can destroy everything. *California.
