The City and Sex, Mary Beth McConahey, 2015-10-08 The City and Sex examines American political sex scandals at the national level Studying these events over time with an emphasis on the evolving responses of both statesmen and citizens reveals the republic s deteriorating moral health and illuminates the country s dangerous tendency toward servitude Using scandals as a window through which to glimpse our deterioration the book identifies a trajectory of decline beginning in the twentieth century by which Americans became less tutored in virtue less spirited in citizenship less agreed on questions of moral significance and ultimately less dexterous in exercising the skills of self government It seeks to show that the freedom from virtue won through the collapse of moral standards has produced an American citizenry increasingly prone to the kind of dependence and enslavement Alexis de Tocqueville cautioned against in the 1830s **Dirty Politics, Dirty Times** Michael A. Ashcroft, 2005-01-01 In the summer of 1999 Michael Ashcroft now Lord Ashcroft became the subject of concerted attacks aimed at unseating him as Treasurer of the Conservative Party His attackers were The Times newspaper and the New Labour Government of Tony Blair The ultimate target was William Hague whose leadership would be destabilised and the finances of his party undermined had his Treasurer been forced from office This book is the personal account of Lord Ashcroft s six year fight first to resist a succession of wholly unjustified attacks then to clear his damaged name and finally to expose the dirty tricks used against him some of them even exploiting the fruits of criminal acts Wapping and New Labour were to discover that they had taken on a formidable resourceful and determined opponent one who would go on to reveal unacceptable aspects of both national newspaper journalism and British politics **D.C.'s Dirty Politics** Ben

Shapiro, 2018-08-16 With each passing day that Donald Trump is in the White House controversial conservative radio host Ben Shapiro sees the social fabric tear before his very eyes Trump acts the left overreacts and Republicans don t act to shift the playing field This cycle shrinks the space for rational politics and conversation and we end up in a race to the bottom This collection of Shapiro s 2017 syndicated columns paints a picture of the current American landscape **Safire's Political Dictionary** William Safire, 2008-03-31 When it comes to the vagaries of language in American politics its uses and abuses its absurdities and ever shifting nuances its power to confound obscure and occasionally to inspire William Safire is the

language maven we most readily turn to for clarity guidance and penetrating sometimes lacerating wit Safire's Political Dictionary is a stem to stern updating and expansion of the Language of Politics which was first published in 1968 and last revised in 1993 long before such terms as Hanging Chads 9 11 and the War on Terror became part of our everyday vocabulary Nearly every entry in that renowned work has been revised and updated and scores of completely new entries have been added to produce an indispensable guide to the political language being used and abused in America today Safire's definitions discursive historically aware and often anecdotal bring a savvy perspective to our colorful political lingo Indeed a Safire definition often reads like a mini essay in political history and readers will come away not only with a fuller understanding of particular words but also a richer knowledge of how politics works and fails to work in America From Axis of Evil Blame Game Bridge to Nowhere Triangulation and Compassionate Conservatism to Islamofascism Netroots Earmark Wingnuts and Moonbats Slam Dunk Doughnut Hole and many others this language maven explains the origin of each term how and by whom and for what purposes it has been used or twisted as well as its perceived and real significance For anyone who wants to cut through the verbal haze that surrounds so much of American political discourse Safire's Political Dictionary offers a work of scholarship wit insiderhood and resolute bipartisanship

Dirty Politics Brenda Stokes Lee, 2019-06-19 Dirty Politics Book Summary Love and Politics Make Strange Bedfellows

Dirty Politics a Multicultural Erotic Novel by Brenda Stokes Lee You've probably heard the saying love and politics make strange bedfellows. Right? Consider the story of Brent and CeCi Logan. The Logans were happily married. In fact, after seven years, they were still in love. Life was wonderful until envy, betrayal, infidelity, and dirty politics slipped in. Brent, aka Senator Brent Michael Logan, was a United States Senator from California. Tall, tanned, and temptingly charming, he was a public figure loved by both Democrats and Republicans. His smile, gentle voice, and kind heart were infectious. He could persuade a nun to shed her habit and turn tricks to support his campaign. The good-looking politician was ambitious. The world was his for the asking. He was a winner. He'd never lost a political campaign in his life. And he was running for POTUS. CeCi, his wife, was a stunning woman. Over ten years his junior, she was young, vibrant, smart, and sexy as hell. Men threw themselves at her feet, but she was devoted to her charismatic husband. CeCi, a political blogger turned author, was a Democrat. She had a brilliant political mind with a master's degree to prove it. Yet the gorgeous black queen was seen as Senator Logan's trophy wife. Their marriage was strong, solid as a rock, until Abigail Pruitt, a political strategist, joined the senator's presidential campaign. Abby, as she was called, was the type of woman that would do anything to steal your man. She had history with Senator Logan. They were once lovers and admittedly in love. But things turned sour, and they went their separate ways. Now, with his bid for the Oval Office almost certain, she plans to pick up where they left off. The senator was months from being POTUS. And Abby, his chief political advisor, had devised an elaborate, deadly plan to edge CeCi out for FLOTUS. Naturally, CeCi was on to Abby's treachery. She tried to warn her powerful husband that Abby would be the destruction of their marriage. Unfortunately, the senator had blinders on when it came to his advisor and friend. He couldn't see her for the viper she was until it was too late. And before he knew it, Abby's dirty dealing had put a wedge in their marriage and catapulted CeCi into a world of danger. Luckily, Zulu, a handsome marine, comes into CeCi's life at just the right time. Always the hero, he takes up the mantle to protect her. Instantly, he was infatuated with the lovely CeCi. Inevitably, infatuation turned into more. And the marine was willing to do anything to keep her safe. Even lay his life down to save hers. The question is: can Zulu save CeCi from Abby and Brent's dirty politics before it's too late? One Click Dirty Politics to discover how their story ends. Simpson,1996 Political corruption in America is worse today than it has been since the Watergate era Americans know it and the politicians have known it for years Urgent calls for reform have become standard fare but nothing changes A Democrat President and a Republican Congress were both elected on the strength of their promises of reform Neither has delivered Americans contemplate the tottering remains of our ethically bankrupt political system with despair Fact The Christian Coalition s 1994 voter guides appear to have been skewered to favor Republican candidates in key congressional races across the country in direct contravention of federal election law The truth is the politicians couldn t be happier dickering over the remains of the welfare state Because as you ll learn in Dirty Little Secrets there is probably not a politician in America who does not benefit directly personally and continually from the status quo Fact The state Democratic party in Tennessee paid sums in excess of six figures to a number of groups and organizations for various political services in 1994 The problem None of the groups actually exist except on paper Our Politicians from those in the highest reaches of the Republican and Democratic parties to those in the humblest state congressional districts evade massage and even break the law in order to hold on to power But instead of merely unmasking corrupt politicians in every region of the country Dirty Little Secrets analyzes why corruption persists in American politics despite scandal after scandal and in spite of periodic bursts of reform Fact On the eve of the 1994 elections mock pollsters called up thousand of voters in one Wisconsin congressional district to ask whether their electoral decisions would be influenced if they knew one of the candidates was a lesbian Most politicians want to do the right thing But they also want to be reelected and the system is far stronger than any honest man or woman The influence of money and the intricacies of the levers of power make it easier for politicians to ignore the law than to obey it In Dirty Little Secrets you will read of the conservative movement s hidden manipulations in

1994 and learn the truth about Newt Gingrich's twenty year program of political destabilization. The history of the corrupt House the Democrats built with the help of liberal interest groups stands revealed. And Larry J. Sabato and Glenn R. Simpson expose the corrupt and illegal tactics both parties have used for decades to protect and promote their own power. Fact. In 1994 in Alabama one local election was decided by three hundred votes. Seventeen hundred ballots cast in that election were illegally admitted absentee ballots, some of them submitted by dead people. Sabato and Simpson's fresh reporting and thousands of hours of background research, including interviews with influential politicians, consultants, and political operatives, Freedom of Information Act requests, and thousands of pages of obscure campaign reports. They prove corruption is not about bad apples or colorful local traditions. And they offer a completely original plan for reform: Deregulation Plus, that will frighten both parties and make the American electorate smile for the first time in years. *Dirty Little Secrets* pulls together the corruption story from all parts of the country so overwhelmingly that no one from the White House to your house will be able to deny that political reform must be one of the key issues of the 1996 election campaign. *Pitfalls of Finance and Politics*
