The Rock Jockeys Gary Paulsen,2011-10-26 The rock wall above them was as smooth as polished black marble There were no crevices and no ledges They would have to fight for every inch Rick looked at his friends J D and Spud nodded silently Rick stood up and started His job would be to make the trail Their job was to make sure he lived through it High atop treacherous Devil s Wall The Rock Jockeys find much to explore Sheer mountain cliffs Wild woodland Even a crashed B 17 bomber But when they stumble upon a crew member s diary and underneath other eerie clues the boys realize Devil s Wall also holds a gruesome secret That secret leaves The Rock Jockeys with a haunting question If trapped on the mountain would they do anything it takes to survive *Discoveries and Inventions in Literature for Youth* Joy L. Matthew,2004-03-03 A compilation of books and other resources that are appropriate for students in kindergarten through twelfth grade *Seeking the Vanishing City* Paul Santy,2023-03-31 Seeking the Vanishing City Delicately Balancing the Truth By Paul Santy About the Book Seeking the Vanishing City Delicately Balancing the Truth is a travel log through European countries that takes place in the year 2005 The trip was inspired by dreams and became fascinating to experience as the dreams were fulfilled one by one This story explores the role of faith and the amazing things that can happen with it Seeking the Vanishing City explores the adventures of traveling meeting others from all walks of life and discussing topics that are often not discussed publicly *Gone Viral* Justin Hart,2022-10-18 Data and marketing consultant and statistical sage to presidential candidates governors businesses and the real powers that be epidemiologists Justin Hart catalogs in a terrifying but sprightly manner the folly and psychosis produced by the pandemic and diagnoses the societal destruction that the massive overresponse to the COVID virus has wreaked as well as what can be done to stop the madness and bring the world back to a modicum of rationality WORST DISEASE EVER Someone broke America In this nightmare neighbors have turned into agoraphobes teachers fear their students children are muzzled citizens are censored dystopian fictions have become reality and unelected officials are creating a biometric police state Oh wait It s not a nightmare It s our daily lives In truth much of this insanity didn t start with the coronavirus pandemic it was already latent in big government and big corporations and it won t end there COVID 19 s greatest threat turned out to be mental All we had to fear was fear itself and boy did some of us fear The very idea of the virus weakened the immune system of America and revealed a decaying underbelly of confusion panic unease and cowardice few of the strong ones suspected existed What a horrible wake up call In

a spate of anxious dread and gleeful power grabbing our health overlords threw away the pandemic response handbook and tried beyond all reason to protect well everyone From massive over testing to universal retail plexiglass to stay at home orders to stay away from school orders to masking mandates to vaccine mandates to some of the worst restrictions on civil liberties in American history this is an epic story that poses big questions about America s future as a free society And the odd thing is as Justin Hart shows the actual disease was as pandemics go not that threatening most people were at minimal risk What is really scary is the total overreaction of half the country many governments that lost all sense of perspective Hart offers a hopeful prescription on how we might face the madness down and claw our way back to sanity

Summer Gone David Macfarlane,2000-07-25 A haunting novel about love experienced and love remembered that is also an unforgettable celebration and evocation of the brief beauty of a northern summer Summer Gone is about that moment when everything stops Like skilled canoeists we briefly hold a perfect balance poised between innocence and experience life and death discovery and loss the promise of spring and the sadness of autumn and we believe foolishly that those perfect days will last forever Set among the islands and lakes of cottage country this major first novel from one of Canada s premier writers explores the stories of three generations of lost summers But Summer Gone is primarily the story of a divorced father and a young son separated by the silence of estrangement and how during one extraordinary night on an ill fated canoe trip the silence is broken Yet as the novel unfolds tragedy looms over father and son in ways they could never have imagined and leads to the book s gripping and startling conclusion Summer Gone is an exquisite novel beautifully written and powerfully
