powers from the former U S S R The book has three purposes The first is to add to the recorded history of the following negotiations the Limited Test Ban Treaty of 1963 the Non Proliferation Treaty of 1968 the ABM Treaty of 1972 and its companion SALT Interim Agreements and the 1987 INF Treaty The author asks in each case What did the president and his assistants do or fail to do to negotiate a successful agreement The second purpose is to use the case book approach common in law schools and business schools as a teaching device for those who wish to learn how the American government made decisions about arms control negotiations how U S Soviet negotiators reached decisions and what the results of the decisions have been The book s third purpose is to generalize about what works and what does not work in the complex world of arms control negotiations including information on the impact of negotiating committees and comparisons of the process for negotiating arms control treaties with that for achieving arms limits through action and reaction without written agreement The concluding chapter looks to the future What changes will occur in the arms control process given the end of the Cold War and the disintegration of the Soviet Union
