Disciple, 1988 **The Matthew Journey: A Discipleship Manual Through the Gospel of Matthew** Jeff S.

Kennedy, 2011-12 Before Jesus left his disciples he gave them the famous commission to Go therefore and make disciples of all nations baptizing them in the name of the Father and of the Son and of the Holy Spirit and teaching them to obey everything that I've commanded you Mt 28 19-20 The commission actually reveals a unique characteristic of Matthew's Gospel it was designed to be a training manual for the Matthean community of disciples Matthew's Gospel was structured along five major discourses on discipleship Chs 5 7 10 13 18 24 25 In addition to these formalized sermons the gospel contains numerous situational teaching moments Thus future disciples are expected to assimilate the entire spectrum of Jesus teaching content found in both His preaching and practice The disciple of Jesus should know who Jesus is what Jesus has to say and what Jesus did Knowing who he is will inspire faith in him Knowing what he commands will guide the disciple in obedience and knowing what the Master does will provide a pattern to follow These three lines of inquiry will guide the disciple's development into the image of Jesus The end game in following such a manual is that the believer will be prepared to make disciples of others If this all sounds to you like a pretty tall order well then you're right It is a demanding journey Welcome to The Matthew Journey This study guide follows the course taught at Eastpoint Church in Spokane Valley WA It is designed to be a thirteen week discipleship mentoring curriculum for committed disciples **Making Disciples in the**

Twenty-First Century Church Joel Comiskey, 2013-12-02 We know that the goal of the Christian life is to glorify God and to enjoy him forever While this is God's ultimate plan does he have a particular purpose for the cell based church I've been wrestling with this question for the past twenty two years This question confronts me every time I coach a pastor or pastors In preparation for coaching I ask myself What is my principal objective in helping this pastor Where am I guiding this church What am I trying to do I've come to the conclusion that the primary goal of cell ministry is to make disciples who make disciples Christ's last command to his disciples was for them to repeat the process and to reproduce new disciples But how were they supposed to do that This book answers these questions The early church followed Christ's pattern by making disciples through the house churches that periodically celebrated together in public worship In 2 Timothy 2:1-2 Paul tells Timothy to continue the discipleship process by passing on the pure gospel message to faithful men and women Even though the term disciple is later replaced by words such as brothers sisters Christians and saints the concept remains the same We in North America and the Western world often project our own cultural bias into Christ's great commission Matthew 28:18-20 Most discipleship books in fact assume that discipleship is an individualistic endeavor between me and God And yes there is an important individual aspect e.g. personal devotions etc Yet in Matthew 28 Jesus was talking to a group of disciples He wanted them to follow his example by making disciples in a group Jesus molded twelve disciples in a group and then sent them house to house So how does the cell church make disciples In this book I show how the cell small group works together with the cell system to make disciples who make disciples In the cell a potential disciple is transformed through community priesthood of all believers group evangelism and team multiplication In the cell potential disciples are formed through learning how to love one another exercising their gifts evangelizing together as a group and then sent forth as teams to start new groups Discipleship is a group process in the New Testament and God is calling his church to re-emphasize this truth The cell system ensures each leader has a coach and that training equipping track happens Then the cells gather together to worship and grow through the teaching of God's Word All three aspects are essential to form disciples Training is needed because disciples won't learn all they need to know in the cell Coaching ensures that each leader is cared for and receives shepherding The celebration service brings the cells together to hear God's Word worship and receive fresh vision The goal of the two wing cell church is to make disciples who make disciples The cell church today makes disciples by following the early church pattern of cell and celebration Recommendations I've read all of Joel Comiskey's books but Making Disciples in the Twenty First Century Church is his best work yet In this book Joel reminds us that the real call and challenge of the Church is not developing leaders or numerical growth but making disciples who make disciples He also helps us understand why that is best done in a cell or small group context and gives us great insight about how to make that happen I'm looking forward to having all of our Pastors Coaches and Cell Leaders and Members read this book in the near future Dennis Watson Lead Pastor Celebration Church of New Orleans ____ I am so excited about Joel Comiskey's new book Making Disciples in the
