*NAKED TEXT Email Writing Skills for Teenagers* Gisela Hausmann, 2016-05-25 2016 National Indie Excellence Awards Finalist

Whatever your goal in life is, learning how to write most effective e-mails with personal appeals will get you there faster. Your plans, your goals, even your dreams, they are all within reach. Many of them are only one e-mail away. One well-written e-mail. E-mail is a tool just like a hammer. You can take a hammer and nail two boards together, or you can build a fantastic tree house. Your only limitation is the amount of energy and efforts you want to put into pursuing your plans. This book is a non-fluff, no-nonsense book. You can apply everything you learn as soon as you have finished reading. If at this time you only e-mail homework assignments to your teachers, please expand on it. Write e-mails to influencers and ask them to help you. Maybe you are the president of a school club that is doing a fundraiser for a good cause. E-mail the morning news anchor of your local TV station and request to present your cause on the news. A great e-mail might get the anchor's attention and he might invite you to talk about your event on the news. This would probably help boost your fundraiser's revenue and at the same time you are adding a phenomenal project to your resume. Maybe you are a blogger and you would like to invite an influencer to guest blog a few lines. Send him an e-mail and ask for it. Maybe you are a programmer who would like to get a summer job or an internship at a specific company rather than working any job that really doesn't interest you or further your career plans. Check out the websites of the corporations you admire, then send an e-mail to their human resources department. You will notice quickly what a great tool e-mail really is. Good e-mails open the doors to wherever you want to go. This book includes a guide how to set up a professional profile on LinkedIn. Email evangelist Gisela Hausmann is the author of *Naked Words 2.0: The Effective 157 Word Email*, which was featured in the August edition of the *SUCCESS* magazine and the winner of the 2016 Sparky Award Best Subject Line.
