test you still haven't studied for or one of the hundreds of other things going on in your personal life. But we're here to change all of that. After reading this eBook you should feel more confident in your note-taking abilities. You should feel prepared and excited to attend your classes because you'll know how to use your notebook to your advantage, a concept we'll discuss later. In other words, you should feel focused and motivated. The habit of taking notes has been statistically proven to help students increase their GPA, study for their tests, and retain lecture information. More often than not, a student who takes notes in class will score better than a student who does not take notes in class. How do you like those odds? Chances are you're reading this book because the idea of writing notes makes you a little nervous. You might be wondering what the right way is. The truth is, there isn't a right or wrong way to take notes as long as you're following the basic note-taking tips listed throughout this eBook. It boils down to common sense, organizational skills, and preparation for anything. Here's a preview of what's inside: Why Should You Take Notes? How to Prepare Popular Note-Taking Methods: Choosing The Right One For You. Utilizing Active Listening. Keep it Simple: Writing vs. Typing. Focus, Focus, Focus: Common Note-Taking Problems. Upgrading Your Notes. Putting it All Together and Much More. Download your copy today to receive all of this information. Just scroll to the top of the page and select the Buy button.
