Building Brand You! Omar Abedin, 2015-07-07 The world today is struggling with the Personal Brand Paradox On the one hand growing competition at a global level is making it increasingly difficult for people to make enough money to support the lifestyle that more and more of us aspire for On the other hand social media and the Internet are giving us all the opportunity to experience global fame In fact the millennial generation that has grown up with the Internet as a fact of life now expects that they will at some point get their fifteen minutes of fame So how do you resolve this clash between an unstoppable force and an immovable object Building Brand YOU casts light on what many consider to be the black art and science that is branding and marketing and its practical application to building your personal

brand The tools and methods described in the book are used by millions of marketers around the world to build the brands they manage on a daily basis Now you can apply these trusted techniques to truly differentiate yourself and if done well it is nothing short of magical
