Remote, Inc. Robert C. Pozen,Alexandra Samuel,2021-04-27 You can thrive and excel when you re working remotely if you adopt the mindset habits and tech tools of professionals who are even more productive outside the office Learn to think like a business of one and that entrepreneurial mindset will transform your experience of remote work Remote work can be satisfying and productive once you craft a strategy that taps into the unique advantages of working from home After a year in which many of us plunged into remote work overnight we finally have a chance to make thoughtful choices about how to combine remote and office work and how to make the most of our days at home Remote Inc gives you the strategies and tools you need to make remote work a valuable part of your renewed working life Learn how to Gain control over how and when you work by focusing on objectives not the 9 to 5 workday Wow your managers by treating them like valued clients Beat information overload by prioritizing important emails and messages Make online meetings purposeful focused and engaging Build great relationships with your colleagues whether at the next desk or another city Find a balance between work from home and life at home Make a remote work plan that lets you get the best from time at the office and the best of home Remote Inc takes you inside the mindset and habits of people who flourish while working outside the office some or all of the time people who function like a business of one That s how productivity experts Robert C Pozen and Alexandra Samuel describe the mindset that lets people thrive when they re working remotely whether full time or in combination with time at the office You can follow their lead by embracing the work habits and independence of a small business owner while also tapping into the benefits of collegiality and online collaboration

Beyond the Workplace Zoo Nigel Oseland,2021-09-27

This book begins by outlining the common design mistakes with the modern open plan office and the industry focus on cost that has resulted in the ill fated Workplace Zoo The requirements of office based workers according to psychological theory

and research are then explained Dr Oseland references historical studies in psychophysics to describe how to design environmental conditions acoustics lighting temperature indoor air quality that enhance performance by supporting basic physiological needs More contemporary research in environmental psychology investigates how cognition affects our interpretation and response to physical stimuli depending on personality context attitude and other personal factors This in turn informs individual requirements for the environmental conditions as well as group needs Studies in evolutionary psychology and biophilia are also referenced The latter part of the book turns to workplace solutions and focuses on how to plan design and manage offices to accommodate our innate human needs now and in the future The importance of designing for inclusivity is also recognised including accommodating cultural gender and generational differences along with designing spaces for neurodiversity Dr Oseland s proposed workplace solution the Landscaped Office is a revived and revised version of B rolandschaft with a contemporary twist The impact of workplace trends such as agile working and hot desking is also explored and found to complement the workplace solution resulting in the Agile Landscaped Office This book is key reading for professionals and post graduate students in business interior design architecture surveying facilities management building services engineering HR and organisational or environmental psychology *Business Review Weekly* ,2001

Telework Commission of the European Communities,Germany (West). Bundesministerium für Forschung und Technologie,1988 Innovations in the information and communication technologies have allowed considerable decentralization of office work bringing about a novel form of work organization telework The papers in this book discuss the technical economical organizational legal and social aspects of the telework concept *The Prentice Hall Small Business Survival Guide* Prentice-Hall, Inc,1993 In today s uncertain economic climate and with many small businesses fighting for survival this blueprint for small business success couldn t be more timely It lays out in easy to understand practical fashion all the key steps a small business owner can take to improve operations trim costs and get employees to work smarter and more efficiently It s filled with proven strategies cautions and how to do it advice that cover every major business area

Effective Small Business Management Richard M. Hodgetts,Donald F. Kuratko,1998 **How to Organize and Operate a Small Business** Pearce C. Kelley,Kenneth Lawyer,1955 **Teach Yourself Managing IT for Your Small Business** Michael Pagan,2007-11-08 Make your computer systems work for you and add profit to your business As a small business owner or manager the language of IT is equally important to you as balance sheets profit loss accounts and other financial metrics Written in an accessible and often humorous style Teach Yourself Managing IT for Your Small Business provides you with the know how to utilize IT to its fullest and grow your business and profits to unprecedented levels
