*The Three C's: Communication, Customer Service, & Chatbots* I. Edmondson, 2024-01-05 The world that our forefathers knew no longer exists and the world in which most of us grew up is no longer here either Science has taken us into a new world in which humans and their activities are now augmented by robots that can perform many of the functions that were previously believed to be only possible for humans to perform The total impact of these changes is as yet unknown but we do know that every facet of human existence has been and will continue to be impacted There are many who fear for the future of mankind while others see possibilities for changes that will improve all facets of our lives The one thing we do know life will never be the same again

**Transmedia Creatures** Francesca Saggini, Anna Enrichetta Soccio, 2018-10-19 On the 200th anniversary of the first edition of Mary Shelley's *Frankenstein* Transmedia Creatures presents studies of *Frankenstein* by international scholars from converging disciplines such as humanities musicology film studies television studies English and digital humanities These innovative contributions investigate the afterlives of a novel taught in a disparate array of courses *Frankenstein* disturbs and transcends boundaries be they political ethical theological aesthetic and not least of media ensuring its vibrant presence in contemporary popular culture Transmedia Creatures highlights how cultural content is redistributed through multiple media forms and modes of production including user generated ones from below that often appear synchronously and dismantle and renew established readings of the text while at the same time incorporating and revitalizing aspects that have always been central to it The authors engage with concepts value systems and aesthetic moral categories among them the family horror monstrosity diversity education risk technology the body from a variety of contemporary approaches and highly original perspectives which yields new connections Ultimately *Frankenstein* as evidenced by this collection is paradoxically enriched by the heteroglossia of preconceptions misreadings and overreadings that attend it and that reveal the complex interweaving of perceptions and responses it generates Published by Bucknell University Press Distributed worldwide by Rutgers University Press
