[Artist Entrepreneurship for Life](#) Diane R. Scott, 2024-12-27 Holistically addressing the documented needs of practicing artists this book applies contemporary business management principles to the unique circumstances of people who make their living through creative expression Artists looking to forge a career have had to turn to either entrepreneurship resources or professional practice tools specific to a discipline such as studio arts or theatre but the business school entrepreneurial approach conflicts with the way artists make work and the unique structures of the artist environment while the professional practice focus neglects the necessary business theory and the wide range of ways artists create viable careers For the first time this book provides a comprehensive theoretical and practical foundation for understanding how artists create practices that endure Employing a strategic management framework the book spells out prevailing business strategies in marketing finance human resources

and the legal environment from an arts specific and artist friendly point of view In a world of perpetually changing communication distribution and technology it also offers a lasting framework and understanding of the broader arts economy while highlighting contemporary tools and tactics to implement the theories in individual practices Practicing artists and students preparing for a career in any of the arts disciplines will welcome the artist s perspective and the many examples from the lives of working artists in a variety of endeavors while instructors in arts management administration and entrepreneurship will appreciate this comprehensive text with research based pedagogy addressing their needs

Becoming and Supporting Online Adjunct Faculty in a Gig Economy Robinson, Jennifer L.,2023-10-04 A gig economy is a system where employers hire independent and qualified workers for short term contracts While this might seem like a system worlds away from higher education this is very much a common system embraced by colleges and universities Being an adjunct faculty member has resulted in many highly educated people becoming part of the gig economy **Becoming and Supporting Online Adjunct Faculty in a Gig Economy** provides information on the many challenges and potential solutions that can be leveraged as an online adjunct faculty member Covering topics such as collaboration with full time colleagues curating resources for online courses and maintaining working relationships this book is ideal for adjunct faculty administrators students researchers and academicians **Congressional Record** United States.
