# How Do I Evergreen Content Strategy Ideas For Teens

**Dr Alexander Schieffer, Professor  
Ronnie Lessem**

## **How Do I Evergreen Content Strategy Ideas For Teens:**

*Good Content* Stanley Idisis, 2018-08-07

### **Social Reading Cultures on BookTube, Bookstagram, and BookTok**

Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube Bookstagram and BookTok as an increasingly important influence on contemporary book and literary culture It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices bookish social media has elevated the agency and visibility of readers and book consumers within literary culture It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture Concise and accessible this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature sociology media and cultural studies as well as teachers and professionals in the book and library industries

### **Church Communications**

Katie Allred, 2022-08-15 Designed for pastors church leaders and volunteers Church Communications guides the reader through practical steps a church can take to strengthen their digital footprint

### **Resources in Education ,1988**

*Integral Economics* Dr Alexander Schieffer, Professor Ronnie Lessem, 2012-08-28 Why on earth is economics perceived to come in only one or at best two different a cultural if not a moral guises There are real and many alternatives to the economic mainstream The trouble is of course that they are hidden from us In *Integral Economics* Ronnie Lessem and Alexander Schieffer pave the way for a sustainable approach to economics building on the richness of diverse economic approaches from all over the globe By introducing the most evolved economic perspectives and bringing them into creative dialogue they argue that neither individual enterprises nor wider society will be transformed for the better without a new economic perspective Here they introduce a comprehensive framework based on the same Four Worlds model that is applied to enterprise and research in their earlier works Given the richness of even mainstream economic theory reviewed in this book let alone the variety of alternative approaches introduced it is frustrating that policymakers and business practitioners are impoverished by a lack of apparent economic choice between a seemingly failing capitalism and an already failed communism The villains of the piece in relation to this lack of choice are not so much the financial community and governments though they do have much to answer but the schools of economics and the business schools that have created the very social ethos the philosophical principles and the mathematical models that influence events *Integral Economics* is partly addressed to academics and students in those very schools who have either realized the error of their ways or less dramatically are curious to explore whether our businesses and communities could be run in a different way It will be welcomed by informed senior practitioners eager to understand the current rethink of economic theory and practice and to discover how to position
