National Identity Simon Bridges, 2021-08-01 An open honest and at times intensely personal memoir about race fatherhood marriage masculinity fitting in and the things that shape our national character Simon Bridges grew up as the son of a working class Baptist preacher in Te Atatu as the youngest of six children In many ways he had a typical Kiwi upbringing at a time when having little didn't seem to matter much Yet for Bridges his was the life of an outsider experiencing otherness for being Maori and yet an otherness from other Maori a Westie with a thick accent trying to break into the upper reaches of society distanced from his father an ageing man in his own world As a young politician Bridges soon came to realise he was an introvert in an extrovert's world and a male leader who has never identified with New Zealand's idealised version of the strong laconic rugby loving man In *National Identity* Bridges offers an attempt to question himself and the country he loves Politics crime kai music nature these are the stuff of a life Through candid and self-aware reflections he points out that politicians have become less robust and that people don't participate as much anymore eroding our institutions and national life He speaks his mind on an education system in crisis the decline of Christianity and how being the smallest most isolated developed country in the world explains why we are how we are Authentic brilliant humorous and poignant *National Identity* is a must read New Zealand memoir
