*Crash Course in Library Services for Seniors* Ann Roberts, Stephanie G. Bauman, 2012-05-31 A comprehensive guide to creating dynamic successful and innovative library programs that cater to the specialized needs of older adults an important and growing user group Crash Course in Library Services for Seniors provides a refreshingly positive approach to working with older adults one that focuses on the positive effects of aging on patrons and the many opportunities that libraries can create for themselves by offering top notch services delivered with a concierge mindset The book offers page after page of great programming ideas specifically for reaching out to Baby Boomers and older customers a population that is predicted to double over the next 20 years Organized in only six chapters this easy to read book provides practical suggestions for making any library a welcoming place for older adults covering topics such as assessment planning programming services marketing and evaluation This title will be invaluable to public librarians interested in expanding and improving their current programming for older adults within their community and for those looking to create entirely new programming for seniors

AI Monetization of your Faceless YouTube Channel Raymond Wayne, 2023-10-19 Do you feel like you're falling behind in today's fast-paced YouTube culture? You've probably seen people's subscription counts explode, views stream in, and comments overflow their videos as they make thousands of dollars using the site. But here's the catch: A large portion of them aren't even speaking with their own voices or revealing their identities. This may seem paradoxical, especially if you've been led to believe that your unique voice and charisma are crucial to your success in the content creation industry. What if, however, we told you that you can build a successful YouTube channel even if you don't want to be the channel's face? Think of your YouTube experience if you didn't have to worry about being camera-shy, having the right lighting, or being the center of attention. The first ever faceless YouTube channel to be monetized by artificial intelligence. **AI Monetization of your Faceless YouTube Channel** This powerful and useful manual will teach you why, with so many options for using artificial intelligence, **RIGHT NOW** is the perfect time to launch your anonymous YouTube channel and begin making money. The second most crucial step you need to take before launching an anonymous YouTube channel is how to make sure the niche you pick for your anonymous YouTube channel can make you money. The most effective strategies for making money with your nameless YouTube channel. How to quickly and simply employ artificial intelligence AI techniques to determine which keywords will bring in the most viewers to your nameless YouTube channel's videos. The one artificial intelligence tool you need to develop interesting video ideas for your anonymous channel. The most effective artificial intelligence AI tools for writing captivating scripts for your videos. How to use the greatest artificial intelligence movie maker and make videos of such excellent quality that your viewers will crave for more. The ten greatest AI tools for optimizing video titles, descriptions, and tags to get to the top of the YouTube search results. Plus a lot more. Today's AI tools are the unsung heroes behind many popular channels, enabling producers to stay nameless while still delivering fascinating content. **Reasons Why You Can't Afford to Ignore This Disruptor** Adapt or perish is not an option in YouTube's ever-changing environment. What worked yesterday might not today as competition increases. But with AI helping you out, you're doing more than simply keeping up; you're actually gaining ground. By investigating YouTube tactics powered by AI, you unlock a wealth of possibilities where your content will resonate even if there is no human face or voice attached to it, and you are liberated from the constraints of conventional content development.

*Producing and Directing the Short Film and Video* Peter W. Rea, David K. Irving, 2025-05-21 *Producing and Directing the Short Film and Video* Sixth Edition is the definitive book on producing and directing short films for the serious film student or beginner filmmaker. Its unique two-fold approach looks at filmmaking from the perspectives of both the producer and director and clearly explains how their separate roles must work together to create a successful short film or video. Through extensive examples from award-winning shorts and insightful interviews, you will learn about the common challenges these filmmakers encountered during each step of the filmmaking process, from preproduction to production, postproduction, and distribution, and the techniques they used to overcome them. The Sixth Edition has been carefully updated.

to include New in depth case studies of esteemed short films Fresh interviews with the filmmakers integrated alongside the text as well as new images and behind the scenes coverage of production processes Completely revamped sections on cameras distribution and exhibition A new section on technologies related to VR and AR Expanded coverage on health and safety when filming Packed full of advice and tips on the role of both director and producer throughout the entire process this is an essential resource for anyone wanting success on their short film Electronic support material containing useful forms and information on distributors grants and financing sources film and video festivals film schools internet sources for short works and professional associations is available for download
