Next-Level Digital Nomad Maria Surma Manka, 2018-06-23 The stereotype of a digital nomad is someone young, unmarried, no kids, and no mortgage. It's time to rethink that and take digital nomading to the next level. Maria Surma Manka wanted to live and work abroad as a digital nomad temporarily without uprooting her entire life. No selling the house, no homeschooling the kids. She and her spouse had to keep their day jobs. But she couldn't find any good resources to help guide a typical family on this adventure. So she did it herself, and the result was a workation, a blend of work and vacation that allowed her family to become temporary digital nomads. So far, they've workationed in Spain, New Zealand, and the UK. Next Level Digital Nomad is the resource Maria wishes she'd had. A practical and tactical how-to guide that kick-starts your adventure and saves you dozens of hours of planning. Guidance for thinking through the trickiest questions like asking your employer to work remotely, preparing for the kids' absence from school, and where to find a place to work while traveling. Loads of resources and ideas for creating your own workation. Step-by-step worksheets for efficient planning. Next Level Digital Nomad will give you the real-world tools to live like a digital nomad. Even with real-world responsibilities.

The Digital Nomad's Guide to the World 2018 Christopher Dodd, 2018-01-09 Digital Nomads travel in a different way. We're not necessarily backpackers, and we're definitely not vacationers. We usually stay longer in each destination, but we're not really expats. We may arrive on a tourist visa, but chances are we're not going on tours every day. Instead, what defines the digital nomad lifestyle is the idea that we take our work with us, and that no matter where we are in the world, there is always work to be done. The Digital Nomad's Guide to The World is the travel guide to the world for this new generation of travellers. Discover the 14 of the best destinations for living the remote work lifestyle, with in-depth profiles covering everything from cost of living to where to cowork, written by the most prolific content creator in the digital nomad space for the last two years, Christopher Dodd. If you're looking for travel advice and inspiration on where to take your remote work in 2018, this is your ultimate guide.
