Transforming Remote Work and Tourism in the Digital Nomad Era Correia, Ricardo, Martins, Márcio, Fontes, Ruta, 2025-04-11 The rise of digital technology has reshaped work and travel, giving birth to a new era of flexibility and opportunity known as the digital nomad revolution. As remote work becomes mainstream, employees can blend their professional responsibilities with their passion for exploration. This fusion of work and travel has transformed tourism, with remote workers seeking destinations that cater to their lifestyle, offering community infrastructure and resources that support their career goals. The digital nomad era redefines what it means to work while traveling, pushing the boundaries of traditional tourism and offering freedom for individuals and businesses alike. *Transforming Remote Work and Tourism in the Digital Nomad Era* examines how the digital nomad movement impacts tourism, particularly how destinations are evolving to cater to this group's needs. It explores essential infrastructure like coworking spaces and reliable internet, alongside nomad-specific services and experiences that promote productivity, leisure, and cultural exchange. This book covers topics such as destination tourism, sustainability, and rural communities and is a useful resource for business owners, entrepreneurs, computer engineers, academicians, researchers, and data scientists.
