*The Phoenix Encounter Method: Lead Like Your Business Is on Fire!* Ian C. Woodward, V. "Paddy" Padmanabhan, Sameer Hasija, Ram Charan, 2020-10-27 A radical new leadership strategy to transform business as we know it from a dream team of INSEAD professors and mega bestselling author Ram Charan. The business landscape is littered with the wreckage of companies that crashed and burned when an apocalypse came in the shape of new competitive technologies, upstart entrants, demographic shifts, and new world orders. Who can feel safe in firestorm change? The authors of *The Phoenix Encounter Method* don't advise safety. In fact, their method of leadership thinking requires you to imagine burning your business to the ground, throwing yourself into a firestorm change, and turning the upheaval to your organization's advantage. It can then rise phoenix-like from the ashes, stronger and more powerful than ever. Written with a sense of urgency and purposefully radical provocation, *The Phoenix Encounter Method* represents the forward thinking of legendary business guru Ram Charan and professors from the senior global leadership program of INSEAD, one of the world's top graduate business schools. The resulting methodology, based on analysis of thousands of articles, studies, reports, and academic and business practice, was field-tested in real life Phoenix Encounters conducted with more than fifteen hundred senior executives from startups and family businesses to legacy companies representing a broad range of industry and sectors in

both developed and developing economies Whatever your sector or industry if you re responsible for your organization s ability to use change as a transformative opportunity you ll appreciate the dramatic impact The Phoenix Encounter Method will have on you your leadership and your organization **The Everything Guide to Remote Work** Jill Duffy,2022-02-08 Discover the secret to being productive and successful no matter where you are with this essential guide to remote work During COVID 19 working from home became the new normal Now both employers and employees find that the remote work they were forced to adjust to may be well better financially sustainably and even in terms of overall morale and productivity But working from home is not without its challenges It can be difficult to eliminate distractions strike a solid work life balance and maintain social connections that are crucial in the workplace Whether you re trying to find and land a job from the comfort of your home learning to manage a virtual team or dream of living a digital nomad lifestyle The Everything Guide to Remote Work has everything you need to be successful You ll learn to optimize your own workplace culture whether it s in your home office or a constantly changing backdrop So whether your company continues to work remotely full time or you only have to go to the office a few days a week you ll be armed with all the tools you ll need to make the most out of this new lifestyle The Live Enterprise: Create a Continuously Evolving and Learning Organization Jeff Kavanaugh,Rafee Tarafdar,2021-01-26 Named a Best Business Book of 2021 by Soundview Magazine Transform your organization into a constantly learning ever evolving industry leader with the proven operating model of leading global firms For decades leaders of large complex organizations have been rightfully encouraged to run their organizations like lean agile startups More often than not they place their bets on trends like digital transformation or design thinking Well intended yet in isolation they are not enough There s another better way to drive durable effective change in your organization and it s been proven effective by global IT and business consulting leader Infosys The Live Enterprise operating model provides a clear path to transform large complex businesses into agile digital ecosystems that evolve with changing market needs and scale to any size You ll learn how to apply the benefits of the startup operating model but go much further This groundbreaking guide addresses issues critical to transform large organizations such as Create an organizational structure that drives collaboration innovation strategic alignment and new culture across distributed interconnected teams Respond quickly yet thoughtfully and scientifically to opportunities to create valuable new employee and customer experiences Reengineer your value chain to see what s missing what can be improved and what can be eliminated to generate exponential value Automate systems so routine decisions can be acted upon with maximum human intuition and minimum human intervention Groundbreaking in theory and long term strategy this game changing guide includes practical steps you can take now for immediate concrete results while laying the groundwork to operate with agility in the future The application of Live Enterprise enabled Infosys to make the kinds of changes during the COVID crisis to not only survive but drive outstanding financial results Now you can use this innovative approach to position your company for the highly unpredictable future ahead *Contemporary Business*
