[The Author Online](#) Annik LaFarge, 2010-07-11

This brief manual written by longtime publishing veteran Annik LaFarge is designed to help you conceive plan and create your own unique presence online

It's not a technical book but instead focuses on the large questions that all writers must wrestle with as they plan their website

Who do you want to be online

What do you want to do there

And where do you start

A central premise of the *The Author Online* is that anyone who can write a book is capable of building his own website

New technology and open source innovations make it easy affordable and even fun a creative act unto itself

But like writing a book it requires thoughtful and careful planning

Since leaving publishing LaFarge has helped many authors build successful websites and this book is a brief primer on how any author author fiction or non fiction adult or kids should begin the process of thinking about what to do online

*The Author*

Online is filled with ideas advice and real world examples It also includes results from the first and only comprehensive survey of author websites and invaluable insights into the features readers look for on their favorite author websites whether or not to blog or Twitter and how to approach both in an authentic effective way when and how to work with designers and or programmers how to create a content plan for your site how to use analytic data as an editorial tool     How To Write a Short Story Howexpert,Sarah Zachary,2020-01-18 Have you ever wanted to write a short story but had no idea where to begin Have you looked for tips hints or advice about how to develop characters and plots without being able to be sure you re getting advice from the experts Look no further than this guide here before you Carefully written from personal advice and experience based on years of writing you can be sure you re getting first rate information which will continually be of use whether you re a full time writer or just looking to first dip your toes into the world of writing This book contains information on the following characters and developing them plots settings dialogue pov conflicts and several other subjects to build a basis Once that basis is built there are many other subjects to move on to from how to win contests and get published or paid for your writing guides on interesting subjects like meanings of colors and much more You will never find the information in the guide tiresome or overused and it continues to be useful time after time The guide is easy to navigate as well with each section being bolded and a larger size for easy reading About The Expert Sarah Zachary was born in 1988 the only daughter of Stephen and Teresa Zachary Although she always loved being read to as a child and took frequent library trips she first discovered her love of writing in early high school when she was assigned to write a paragraph of a fictional story Sarah went on to write the first fifty pages of a play novel When her friends showed enjoyment in her writing Sarah went on to publish her first pieces of work online and gained followers who helped shape and critique her craft She continued to write short stories and began to attempt to get her work published While attending college at Liberty University in Lynchburg VA she was published for the first time in a collection of essays and counted among the top five percent of writers in the nation After graduating college with a BA in English she began to widen her professional portfolio Pressing on she has been published in several more genres and seeks to work in the field of creative design or concept design especially in the spectrum of video game design Her work is often in the fields of romance and fantasy and her first young adult fantasy novel is currently in progress She also has a professional Facebook page for followers under the name Sarah Joyce Zachary HowExpert publishes quick how to guides on all topics from A to Z by everyday experts     *A Straightforward Guide to Freelance Writing* Stephen Wade,1997
