Willing's Press Guide, 2004. Coverage of publications outside the UK and in non-English languages expands steadily until in 1991 it occupies enough of the Guide to require publication in parts.

Strategies for Teaching Learners with Special Needs Edward A. Polloway, James R. Patton, Loretta Serna, 2005. This comprehensive non-categorical special education methods book retains the key features that have made it a bestseller within the special education field for more than 20 years. The authors give substantial coverage to generic methods and to all curricular content areas. In the new edition, increased emphasis is given to effective research-based teaching strategies that will enable students with special needs to be successful in any classroom environment: inclusive classrooms, resource, and self-contained classrooms.
