Bernstein,Michael B. Horn,Bob Moesta,2024-11-19 A USA Today Bestseller The ultimate guide to changing jobs and
advancing your career Adam Grant 1 New York Times bestselling author of Think Again and Hidden Potential and host of the
TED podcast WorkLife Three innovators offer a road tested framework for career development that helps anyone make real
progress on their path when they switch jobs Each year an estimated 1 billion people switch jobs worldwide A lucky few
stumble into the role of their dreams but hundreds of millions are disappointed What if when looking for a job we could make
more informed choices to better select the opportunity we seize What if the power to move along our career paths lies with
each of us as opposed to hiring managers or the market According to the Jobs to Be Done theory of product design customers
don t simply buy products they recruit them to do specific jobs that solve a problem Job Moves adopts this model to view jobs
as positions we hire to help us make progress in our lives and careers Based on research conducted with over a thousand
professionals at all stages of their careers Ethan Bernstein Michael B Horn and Bob Moesta find that this notion bears out no
matter your age stage or trajectory Key to this new universal approach is understanding our priorities at the specific moment
when we make each move This team has created a process to help individuals identify the current circumstances driving
them to look for new opportunities the experiences they hope to gain in a new job what tradeoffs they ll gladly make in return
and how to learn before switching if a new job will deliver The result encourages job seekers to look beyond a title or
company for a more holistic view and ask not what you can do in a job but what a potential job can do for you Full of useful
activities and tools Job Moves offers the timeless framework of our generation to help anyone create a career that will be
