How Thailand's Move Forward Party's Fandom Strategy Shaped the 2023 General Election Alexandra Colombier, 2024-03-12 The concept of political fandom the state of being fans of a politician or of a political party played a crucial role during Thailand's General Election in 2023 Fandom contributed to the popularity on social media of politicians such as Pita Limjaroenrat the Move Forward Party's leader and prime ministerial candidate The strategies involved in achieving celebrity status for politicians are varied This paper provides a case study of the factors behind the success of Pita and the Move Forward Party and contrasts these with reasons why Pita's key political opponents were less effective It argues that the digital age and the transcendence of politics into pop culture where celebrity status and fandom can drive electoral outcomes signify a profound shift in democratic participation political engagement and the very fabric of Thai politics While fandom has become a stream in participatory democracy it also highlights the polarized and temperamental nature of Thailand's contemporary hyper partisan political scene

Day Trading Attention Gary Vaynerchuk, 2024-05-21 New York Times and USA Today Bestseller One thing I've learned being around Gary for the last

decade is that when he sees new consumer trends or new best practices in marketing people should listen and act on them Michael Rubin CEO of Fanatics In his seventh business book bestselling author entrepreneur and investor Gary Vaynerchuk offers fresh in depth advice to enhance brand development grow sales and beat the competition using modern advertising strategies grounded in social media In his 2013 bestseller Jab Jab Jab Right Hook Gary Vaynerchuk showed the world how to create winning content for underpriced attention channels But since then new platforms have emerged others have become less relevant and algorithms are incentivizing new styles of content New skills are necessary to create advertising that builds brand and sales In his latest book Vaynerchuk argues that today s fast growing businesses brands content creators and influencers have one thing in common They mastered storytelling in areas of underpriced attention which predominantly exists across a handful of social media platforms Informed by 20 years of business and marketing success he contends that the biggest transformation and opportunity is the TikTokification of Social Media Increasingly platforms are distributing content based on what users are interested in rather than who they follow In Day Trading Attention Gary offers detailed advice on how small businesses large corporations and creators can Understand attention what it is where it is where it s underpriced and how to leverage it Produce relevant strategic content Use modern advertising platforms to build brand and grow sales in today s rapidly changing environment

The Love Contract Steph Vizard,2023-09-01 Can she pretend to love her neighbour An award winning modern rom com for all fans of fake dating enemies to lovers stories I didn t know the guy next door And given he was now my daughter s manny and my fake boyfriend I needed to find out Single mum Zoe had the parenting thing all figured out with little Hazel until a childcare drought derailed her plans to return to work Enter Will Zoe s nemesis and frustratingly handsome neighbour When Will s boss mistakenly assumes Will is Hazel s father and insists he take parental leave it seems like a simple white lie could get Zoe out of a jam and help Will to make partner at his law firm But life with an adorable toddler and a growing attraction between Will and Zoe is never as tidy as their agreement s bullet points and dry clauses suggest As they get deeper into the lie the lines between truth and fiction blur But Zoe s hiding a secret and when it comes out the consequences for all of them could be devastating A witty warm page turner about love friendship and the glorious chaos of new motherhood We re officially Steph Vizard s biggest fans Ali Berg and Michelle Kalus The Book Ninja Crisp sweet and delicate The Love Contract is pure indulgence Vizard s writing sucks you in and wrings you out An ideal cosy weekend read Genevieve Novak Crushing A snappy fun read about juggling your love life with motherhood and how messy it can all get in the best possible way Saman Shad The Matchmaker A delightful heart warming read that left me with all the feels Steph Vizard s engaging writing and endearing characters had me jumping headfirst into the story Adorable and realistic this is an absolute gem of a rom com Karina May author of Duck l Orange for Breakfast *The Horn Book Guide to Children's and Young Adult Books* ,1993 [DADLY Dollar\\$: How Marketing to Dads Will Increase Revenue and Strengthen Families](#) Hogan Hilling,Tom Konecny,Don Hudson,2017-06-18 The idea of marketing to dads is as

unconventional as a dad who chooses to relinquish his role as the primary breadwinner to become the primary caregiver for his family But as the at home dad movement has demonstrated since the birth of the National At Home Dad Network in 1996 it has had a profound impact in the changing role of today s modern dads who now view parenting as a shared responsibility One of which is as the primary or part time shopper for their families Since dads represent half the parenting population this book raises the following questions Why don t companies view marketing to dads as an opportunity to increase revenue and potential profits Why do companies and advertisers continue to ignore the purchasing power of dads Why haven t companies conducted extensive studies on how dads buy products and services and also how to reach and connect with dads Research clearly shows that the dynamics of today s families and role of parents continue to evolve Yet companies and advertisers continue to use old school marketing strategies with mom as its primary target audience Yes the thought of dads as a potential primary or even part time shopper is hard to embrace as it was decades ago when companies shied away from the thought of a woman becoming the primary breadwinner The success of women in corporate America alone should indicate the reason for a change in a company or advertiser s marketing strategy DADLY Dollars will introduce companies and advertisers to a new untapped consumer dads It will also teach them how to reach and connect with dads market to dads capitalize on their purchasing power and how marketing to dads will increase their revenue profit and brand loyalty In addition it will also show a company the overall benefits to the economy families and communities
