The Unashamed Guide to Virtual Management Ben

Bisbee, Kathy Wisniewski, 2019-10-08 Manage Virtual Teams for Maximum Results Working remotely is a reality of today's and tomorrow's workforce. With organizations switching from a model of only on-site employees to on-site and virtual employees working globally, managers need guidance on how to address the traditional and not-so-traditional issues that occur when staff is not collocated. The Unashamed Guide to Virtual Management provides that direction for topics such as onboarding new staff and delivering performance reviews as well as for the more offbeat issues like handling office romance and doing laundry on the job. Using short chapters and a fun, whimsical yet straightforward style, Ben Bisbee and Kathy Wisniewski answer the critical questions about how to manage virtual teams. No matter your problem, you'll be able to evaluate what went wrong, determine how the solution fits within your organizational personality, and implement a process to make it stick. Rather than scrambling to figure out how to handle an unexpected situation, virtual managers can consult the authors' advice on more than 30 topics, including time zones, flexible schedules, and privacy; hiring and interviews; onboarding and professional development; team building, morale, and celebrations; interruptive pets and children; errands and meetings from the bathroom. From the mundane to the awkward, this book covers it all because you will have to manage it from wherever you are.

20 Day Virtual Team Building Challenge Audrey B. Carmela, 2020-09-09 Work from home. Virtual meetings. Do you want a bond with your work from home team but don't know how to start? So you start to search on the internet: corporate team building games, games for work, meetings, meeting games for work, team building game for work. If that sounds like you search no further. This book is here to help you get your virtual team members to communicate, interact, and have even more fun as though they were still in the same place. Starting this year, more and more companies and organizations are shifting the workplace to home. Why not? We can complete all sorts of tasks, communications, and even meetings online. And it's not something strange when we send emails to another colleague sitting ten feet away, even back in the office. How can this book help me? The truth is, technology has forever changed the way we interact and work with each other. We realized digital workplaces could encourage quicker decision making and reduce pressures. However, the lack of face-to-face interaction can also have adverse effects on confidence, innovation, and creativity among team members. But no need to worry; this team building kit will get you covered. From the first half of this book, you will learn everything necessary about how to be a good virtual leader and in what ways you can make your team from good to excellent. Then we have 20 simple but super funny virtual team building games prepared for you. The first ten of them will get you started fast and make some laughs in your team. The last ten activities can be both funny and constructive to help your organization grow with a lot of fun. What major takeaways can I get from this book? No matter how busy or occupied you are, you will always find it is easy and funny to do.

them literally just through your screen They will help you develop collaborative connected and productive virtual teams across all digital platforms Here are what you can expect from this book Be aware of what it takes to make you a great virtual team leader How to build a collaborative culture in your virtual team Team building games to make a lot of laughs Activities to help all of you grow with fun Is this book for me This book is for everyone who runs a team Don t let distance ruin everything You will find that you can still have so much fun while being very productive at home Let s make it happen now
