Simple Virtual Team Building Ideas Ideas For Introverts:

The Unashamed Guide to Virtual Management Ben Bisbee, Kathy Wisniewski, 2019-10-08 Manage Virtual Teams for Maximum Results Working remotely is a reality of today's and tomorrow's workforce. With organizations switching from a model of only on-site employees to on-site and virtual employees working globally, managers need guidance on how to address the traditional and not-so-traditional issues that occur when staff is not collocated. The Unashamed Guide to Virtual Management provides that direction for topics such as onboarding new staff and delivering performance reviews, as well as for the more offbeat issues like handling office romance and doing laundry on the job. Using short chapters and a fun, whimsical yet straightforward style, Ben Bisbee and Kathy Wisniewski answer the critical questions about how to manage virtual teams. No matter your problem, you'll be able to evaluate what went wrong, determine how the solution fits within your organizational personality, and implement a process to make it stick. Rather than scrambling to figure out how to handle an unexpected situation, virtual managers can consult the authors' advice on more than 30 topics, including time zones, flexible schedules, and privacy; hiring and interviews; onboarding and professional development; team building, morale, and celebrations; interruptive pets and children; errands and meetings from the bathroom. From the mundane to the awkward, this book covers it all because you will have to manage it from wherever you are.

Next Generation Leadership Adam Kingl, 2020-02-04 Employers who don t adapt to the expectations of younger generations are losing top talent as they leave for positions at companies with modern practices Learn what companies need to do to fit into the new normal in the workplace Generation Y sees the world differently than any other generation in modern memory and nowhere is this more evident than in the workplace The shifts that this generation has seen in the economy technology and the world have changed what they want from life and work which is not a 9 5 existence for forty plus years leading to a typical retirement at sixty five What older generations call a poor work ethic from a spoiled generation Gen Y sees as a different way of doing things Companies that take the time to listen realize that what Gen Y is asking for isn t that crazy in fact it s better in many ways such as A demand for work life balance isn t a cry for fewer work hours it s a cry to be able to work from outside the office beyond a rigid 9 5 schedule which can lead to Gen Y employees working even more hours than you expected Leaving a job after a couple years isn t an inability to commit it s a need to learn more expand their experience and develop their career at a faster pace which is helpful to companies that hire those individuals including your own Elevating nontraditional benefits over financial benefits is a step toward creating an emotional connection to the company where employees spend most of their time and invest mental and emotional efforts The need to work for a company with a purpose reflects the power that social media has on the social consciousness Next Generation Leadership will explore what s behind these shifts in the character of the emerging workforce It shows that as Gen Y assumes managerial positions the nature of leadership and business will change over the next few decades in irrevocable and profound ways
