Lee, 2021-04-05 The second decade of the 21st century has brought unprecedented challenges to traditional workplaces The global pandemic has forced the advance of working from home and telework Individuals with little or no background or training in e leadership virtual project management or virtual team management suddenly found themselves in the environment of virtual work *Leading Virtual Project Teams Second Edition* addresses the challenges that today s virtual project management environment poses to traditional methods of leadership and communication Leadership for successful virtual team management is different from that for traditional collocated project team management Explaining appropriate e leadership styles for virtual project teams and the transition toward new leadership styles the book is filled with communication techniques for leading virtual project teams It helps project managers develop e leadership competencies needed to successfully deliver projects in today s organizations The second edition also examines Virtual meeting techniques Inclusive language Managing virtual relationships Why virtual work is now more important The work at home environment By recognizing how virtual teams are different from traditional teams those managing virtual projects may be able to offer benefits to their organization by providing positive successful leadership and exceptional communications resulting in better project deliverables and products This book provides an approach that explores all facets of e leadership from how traditional leadership theories and models can be applied by 21st century leaders to providing methods by which the virtual project manager can enhance virtual project communications to meet the needs of our modern global business world It features project management checklists and templates and includes business cases best practices and tools and techniques for virtual project management communications Clash of the Generations Valerie M. Grubb, 2016-10-31 Case studies and strategies for more effective multi generational management *Clash of the Generations* explores this new and increasingly common workplace phenomenon and provides strategies to help managers navigate this ever more complex maze Traditionally older workers would retire and make room for the next generation instead Baby Boomers are now prolonging their time in the workplace yet the successive generations are still coming in Senior leaders are

now left to manage a blended workplace comprised of up to four generations each with their own ideas of work ethic work life balance long term career goals and much more Management is challenging at the best of times but the new prevalence of generation gaps sometimes even layered add an entirely new dimension to an already complex responsibility This book presents case studies and interviews with representatives of companies with age diverse workforces detailing innovative strategies for smoothing out the bumps and helping everyone work together Managers have long wished that their positions came with an instruction manual and this book delivers with a host of effective inter generational management strategies illustrated by real world companies Manage the multi generation workplace more effectively Navigate the generational culture clash Adopt proven strategies for helping everyone get along Promote a more positive culture amidst clashing expectations Every generation in the workplace has value each has their own strengths their own weaknesses and their own unique talents Each is indispensable and when they come together as a synergistic force they can be unstoppable Effective management means bringing out the best in your workforce and the strategies presented in Clash of the Generations help you streamline your varied workforce into a team more valuable than the sum of its parts

Organizational Behavior Fred Luthans, Brett C. Luthans, Kyle W. Luthans, 2021-01-01 Contrary to the common saying we do want you to judge this new edition of Organizational Behavior by its front cover Specifically featured is that this is the 14th edition it takes an Evidence Based Approach and similar to the previous edition there are now three Luthans authors This 14th edition is based on the foundation provided by the first mainline text which has become the classic for the study and understanding of organizational behavior However by taking an evidence based approach this insures that even though a classic this new edition adds the most recent and relevant research to the most extensive up to date reference base of any organizational behavior text By adding the two closely related authors professor sons literally pumps new blood into the sustainability of this classic text by Fred Luthans Importantly Fred has recently been recognized with 1 Lifetime Achievement Award in Organizational Behavior 2 Top 1% of Citation Count of all researchers in the world and 3 the 1 most cited author in Organizational Behavior textbooks Finally this new edition recognizes that even though the theoretical framework and coverage largely remains the context of organizational behavior is rapidly changing This new edition reflects the New Age environment but still holds to the premise that in today s organizations success and competitive advantage still comes from the understanding prediction and effective management of human resources With this new edition we invite you to continue the never ending journey guided by the best organizational behavior theory research and application
