Simple Youtube Shorts Ideas Guide For Us Audience:

Producing and Directing the Short Film and Video David K. Irving, Peter W. Rea, 2013-03-20 Producing and Directing the Short Film and Video is the definitive book on the subject for beginning filmmakers and students The book clearly illustrates all of the steps involved in preproduction production postproduction and distribution Its unique two fold approach looks at filmmaking from the perspectives of both producer and director and explains how their separate energies must combine to create a successful short film or video from script to final product This guide offers extensive examples from award winning shorts and includes insightful quotes from the filmmakers themselves describing the problems they encountered and how they solved them The companion website contains useful forms and information on grants and financing sources distributors film and video festivals film schools internet sources for short works and professional associations

Political and Civic Leadership Richard A. Couto, 2010-09-14 This work within The SAGE Reference Series on Leadership provides undergraduate students with an authoritative reference resource on political and civic leadership This 2 volume set focuses on the 100 most important topics issues question and debates specific to politics and civic society Entries provide students with more detailed information and depth of discussion than typically found in an encyclopedia entry while avoiding much of the jargon detail and density one might find in a journal article or a research handbook chapter

Key Features Includes entries written by a global panel of renowned experts Offers broad coverage of important of the moment topics related to political and civic leadership including explorations of the personalities and environments of political leaders leadership roles in governance and allegiance citizen activists and civic engagement political campaigning urban politics and leadership public management ethics in politics policy development and implementation executive management of public opinion political speechmaking and the bully pulpit congressional leadership crisis management and more Considers the history of political and civic leadership with examples from the lives of pivotal figures as well as the institutional settings and processes that lead to both opportunities and constraints unique to the political realm Provides students with more depth than usual encyclopedic entries while avoiding the jargon detail and density of more advanced works Features an approachable and clear writing style with appeal to undergraduate researchers and offers a list of further readings after each entry as well as a detailed index and an online version of the work to maximize accessibility for today's students
