

# HOW TO START AFFILIATE MARKETING IN 8 STEPS

1

## CHOOSE YOUR NICHE

Select a topic you care about. You will spend a lot of time researching and creating content for the topic. Pick something you can't stop talking about.

2

## KNOW YOUR AUDIENCE

Find out what your target audience struggles with so you can find the perfect affiliate product that solves their biggest problems.

3

## SET UP A PROMOTION CHANNEL

Create a website or blog to have full control over your content, or start growing a following on social media.

4

## SIGN UP FOR AN AFFILIATE PROGRAM

You can find affiliate programs on merchants' websites or through an affiliate network.

5

## PUBLISH TARGETED CONTENT

Knowing what your audience needs, create content that solves their problems and answers their questions to offer real value to them.

6

## EMBED YOUR AFFILIATE LINK

Mention the product you promote by linking to the merchant's shop using your unique tracking URL.

7

## GENERATE CLICKS

Drive traffic to your content to generate clicks on your affiliate link. Those clicks generate a tracking cookie in the visitor's browser.

8

## EARN COMMISSION

When someone makes a purchase through your tracking URL, that purchase is tracked and you will earn a commission for the referral.

[For Beginners](#) Tim Murphy,2020-12-29 If you were to ask a random user of the Internet what he or she thought Affiliate Marketing was he or she would likely claim that it was a way of making money online as an intermediary Here people make a commission from a sale or a referral when a visitor to his or her site clicks on a link that directs him or her to a product or page online However as much as there is a lot of truth there Affiliate Marketing does not only have to take place online For example affiliate marketing is also where a plumber gives a client a discount for referring him or her to a new client It is the same concept This kind of marketing happens a lot in the real world but people do not trace or coordinate it as much as is the case with online marketing Business owners can ask their customers how they came to know about them in an effort to learn about their client base but they cannot get as much information as they would be using online tracking The growing online market has made this type of marketing more popular and profitable It has also made it easier to grow and expand whatever type of business an individual is in with the help of numerous professional marketers who will not necessarily appear on their

payroll Therefore while its history started long before the invention of the Internet the Internet has transformed it and made it widely available to the masses You will start by learning all about the ins and outs of affiliate marketing and what you need to get your feet wet in the marketing world You will then learn about the importance of choosing the right niche and how to find one that will provide you with a sustainable passive income stream for years to come From there you will learn the key steps to creating a website that will attract the right type of users as well as the importance of SEO and how to ensure that your new website shows up in as many different sets of search results as possible Finally you will learn just what it takes to create the type of quality content that ensures people keeping back for more month after month and year after year Every effort was made to ensure it is full of as much useful information as possible please enjoy
