How to Automate Your Life with Google Gemini Julian Brantor, 2025-11-11. You're busy; your inbox never stops, and every day you repeat the same tasks in Gmail, Calendar, and Docs. What if Google Gemini could quietly do most of that for you? How to Automate Your Life with Google Gemini shows you step-by-step how to turn Google's AI into a practical assistant that actually gets work done, not just a chatbot that talks back. Inside, you'll learn how to set up simple automations for email replies and summaries, prep for meetings, automatically draft content, faster organize notes and documents, and even create routines that run on a schedule so you don't have to remember them. You'll discover how to save hours each week by letting Gemini handle repetitive digital chores, how to connect it to the Google tools you already use every day, and how to design prompts that give you consistent, accurate results. Whether you're a solopreneur, remote professional, creator, or just someone who wants tech to make life easier, this book speaks your language and gives you fast wins. If you're ready to stop doing everything manually and start letting AI carry the load, this book will show you how.
