The PMM's Prompt Playbook David E. Sweenor,2025-02-18 Product marketers face mounting pressure to deliver more content campaigns and insights with limited time and resources Unfortunately most are using elementary prompts and struggle to incorporate generative AI into their daily workflows in ways that save time and drive impact As a marketing leader with 20

years in data and analytics I've tested hundreds of AI workflows and have identified what actually works for B2B product marketing. The PMM's Prompt Playbook: Mastering Generative AI for B2B Marketing Success distills that experience into practical workflows that help you better understand customer needs, build rich personas, analyze competitors, enable sales teams, and plan product launches. There are no theoretical discussions about AI potential; just proven, prompt-driven workflows that cut research time, accelerate content creation, and improve marketing outcomes. Each chapter walks through specific workflows that are refined through real-world applications. You'll learn how to extract insights from customer feedback, create targeted content for different buyer personas, build compelling product narratives, and accelerate launch planning. This is a practical guide for working smarter. Want to analyze a competitor's positioning in minutes instead of hours? Need to generate targeted content for five different personas? Looking to speed up launch planning without sacrificing quality? The workflows in this playbook show you how. Written for busy product marketers who need proven solutions, this guide helps you deliver quick wins that drive real business impact. Every prompt and process has been tested and refined through hands-on experience in B2B technology marketing. Remember, it's not the tech that's tiny; just the book.

Artificial Intelligence (AI) for Small Businesses Oluwaseun Ogunmola, 2025-05-25. Want to Grow Your Business Without Burning Out? Let AI Handle the Hard Stuff. Running a small business in 2025 is not for the faint-hearted. Between customer messages, social media, inventory, marketing, and trying to stay sane, you've probably wished you had five clones. Here's the better option: Artificial Intelligence (AI). This isn't a complicated tech manual; it's a practical, easy-to-follow guide that shows you how to use AI tools to save time, make more money, and grow your business without hiring a team or becoming a tech expert. What You'll Learn: Inside: How to use ChatGPT to write Instagram posts, sales emails, and product descriptions in minutes. How to automate your WhatsApp or DM replies so you're not glued to your phone all day. How small business owners around the world are using free AI tools to grow their customer base quickly. How to track your income and expenses without using spreadsheets. Which AI tools are best for content creation, sales, marketing operations, and customer service. How to run your business efficiently with just a smartphone or laptop. Who This Book Is For: Solopreneurs, side hustlers, and small business owners. Coaches, consultants, creators, and online sellers. Anyone who feels overwhelmed by daily business tasks and wants to simplify their workflow using AI. You'll learn how to build systems that work even when you're not online. No coding required. No expensive software needed. Just this book and a willingness to implement. What Makes This Book Different: The strategies in this book are based on real-life examples, not theory. From food vendors to fashion sellers, boutique owners to digital marketers, these are simple steps anyone can use to grow their business with AI. If you're ready to stop doing everything manually and start using tools that work smarter, this book will guide you every step of the way. Get your copy now and make AI your most valuable business partner.
