Digital Sovereignty! Sylvie Bedard, 2023-08-09 Have you noticed that artificial intelligence is the hot topic of the moment Yet for over a decade this reality has radically changed our lives well hidden in our new virtually digital reality After sharing her vision of Presence with a 1st book in the context of business and marketing to improve customer and employee relations in the digital reality this 2nd book expresses the same desire to

preserve the relational quality between us A decade on we need to have an urgent conversation about the very essence of humanity in a world dominated by technology Her vision of digital sovereignty presents itself as an accessible solution that must guide the evolution of the artificial intelligence race and combat unbridled digital capitalism by bringing the digital imperialists to heel It s not a plea for or against artificial intelligence It s a plea in favor of the urgent need to take a collective stand in order to build a future in human dignity with these intelligent machines that are invading us under the pretext of natural evolution To act we need to understand Without pretension but with lucidity you are invited to discover the path and legacy of digital colonialism and even the domination of digital emperors in order to grasp the full extent of its impact on our reality which is anything but virtual Popularized accessible explanations of the issues at stake so as to fully grasp this universe A critical and constructive look at how we can hold the reins of this unbridled wild horse that is artificial intelligence Whether you re a private citizen a worker a company director a civil servant a member of parliament etc everyone is concerned without exception Yes even you especially those who don t feel concerned This is a call for collective mobilization
