Humanistic Management in the Gig Economy Kemi Ogunyemi, 2024-07-31 Gig workers are often not regarded as employees by the platforms they work with Yet they do not always have all the freedoms enjoyed by independent contractors The world of work is changing and this is one area in which the new realities need to be better understood in order to promote human dignity protect the vulnerable and foster flourishing To achieve this justice and fairness need to be researched and innovatively translated into new forms of work in diverse ways and in various cultures This edited collection explores and examines ways in which the humanistic management and fairness considerations help to humanise the way gig workers are treated with particular attention paid to economies in the global south Countries represented in the case study section are Brazil Colombia Ecuador Kenya Nigeria South Korea and Uganda and both traditional and innovative lenses of fairness and ethics are applied to these new forms of work The book will be of great interest to scholars and students of work and employment digital business human resource management and business ethics

101 ways to become free lancer manvir bhogal ,2025-10-14 101 ways to Become a Freelancer Introduction Becoming a freelancer offers freedom flexibility and the chance to shape your own career on your terms No longer tied to a single employer or fixed work hours you have the power to choose projects that excite you set your own rates and build relationships with clients around the globe Yet launching a successful freelance career requires more than just talent it demands planning perseverance and professional polish In this guide you ll discover a step by step roadmap from identifying your strengths to landing clients managing projects and scaling your business sustainably Identify Your Skills and Niche The first step toward freelancing is taking stock of your skills passions and experiences Write down everything you do well graphic design writing coding consulting or any other service Then look for a niche where demand outstrips supply Specializing in a particular industry or service such as medical copywriting Shopify development or UX research for fintech helps you stand out When you become known for a focused offering clients are more likely to find you trust your expertise and pay premium rates Clarifying a niche also makes marketing easier you speak directly to a defined audience and understand their pain points Define Your Value Proposition and Target Market Once you choose your niche craft a clear value proposition Ask yourself Who benefits most from my service What problems am I uniquely equipped to solve How do I deliver faster or better results than competitors Your value proposition should be concise one or two sentences that convey the biggest benefit you provide Next identify your ideal client profile Are they small businesses startups agencies or busy executives Pinpoint their industry company size and typical budget With a defined target market your outreach messages

portfolio examples and social media content will resonate more deeply and lead to higher conversion rates

Build Your Online Presence and Portfolio A professional online presence is essential for attracting clients Start with a simple website or portfolio platform showcasing your best work testimonials and core services Each portfolio item should include a brief case study the client's challenge your solution and measurable outcomes Use a clean layout and high quality visuals Complement your website with active profiles on platforms aligned with your niche LinkedIn for B2B consulting Behance for design GitHub for development or Upwork for general freelancing Regularly publish blog posts project updates or short tutorials to demonstrate expertise and improve search visibility Consistency signals credibility

Set Your Pricing and Service Packages Determining rates can feel daunting Research industry benchmarks and competitor pricing to find a healthy range You can charge hourly per project or on retainer For beginners hourly rates simplify billing but project based fees often appeal more to clients and reward efficiency Create tiered packages basic standard and premium each with clear deliverables and price points For example offer a blog post at three word counts and price tiers or a branding package with logo only logo plus style guide and complete brand kit Well defined packages help clients choose quickly and reduce negotiation friction

Find Your First Clients Landing initial clients often involves leveraging existing networks Reach out to former colleagues classmates or friends and let them know you're freelancing Offer a small discounted pilot project in exchange for feedback and testimonials Simultaneously explore online marketplaces like Upwork Freelancer or specialized job boards Craft personalized
