Transcultural Imaginaries Kathrin Dreckmann,Christofer Jost,Bastian Schramm,2025 From their inception music videos have served as an important instrument for depicting collective emotional states cultural affiliations and processes of social change At the beginning of the 21st century the utilization of the music video genre changed with more and more artists using it to address social and political grievances as well as questions of identity Both the decline of music television as a

gatekeeper limiting access and participation as well as the rise of social media have contributed significantly to the growth of the critical and subversive but also utopian potential of music videos. As a result, music videos today offer counter proposals to heteronormativity, ableism, patriarchalism, racism, and other forms of oppression that not only reach a wider audience but also reflect a broader diversity of lifestyles, interests, and motivations than was possible during the MTV era. This volume explores transcultural imaginaries in music videos from a variety of angles, providing a broad overview of approaches to negotiating the cultural in the music video genre both past and present.

Instagram Reels Marketing: Instagram Reels Is The Latest Addition In The Top Marketers Social Media Marketing Arsenal. If you haven't heard about it or are confused about how to get started, we're here to help. Everything you need to know is right here. This is an excellent opportunity to learn how to get started with Instagram Reels Marketing to interact with a wider audience, fuel your branding endeavors, and help brands cash upon more ROI. Instagram Reels is the latest format of Instagram Stories that can be used to create and share 15-second video clips either with your followers or if you have a public account with the larger Instagram community via the Explore page. And since video content is all the rage now, top brands are using Instagram Reels for business marketing by sharing short video content to convey their branding and advertising messages on the Explore page as well as with followers to gain massive traction. As it rolled out to the majority of users in August 2020, this feature is being made available across 50 countries, including the U.S., making it an impeccable platform to interact with audiences and fuel your branding endeavors. The timing is also fortuitous given TikTok's uncertain future in the U.S. as the Trump administration weighs either banning the Chinese-owned app entirely or forcing it to sell off its U.S. operations. To put this further into perspective, let's take a look at a few stats. The average time spent on Instagram increased by 3.5% since the launch of Instagram Reels. For example, some published data reflects recent development as follows: Two-thirds of the NBA's franchises have posted at least one Reel since the feature launched in the United States. The Los Angeles Lakers top the league in engagement on Instagram Reels with more than 385,000 engagements and more than 4.1M plays on a single video. Louis Vuitton averages 7M views on each Reel and are still increasing. Sephora France gets more than 453K views on each Reel and more. That is great news for businesses that want to survive and thrive despite the challenging economic conditions. So here we are with our Awesome course: Instagram Reels Marketing. This guide will discuss why Instagram Reels Marketing is important for your business as well as the process of creating attention-grabbing sales-oriented videos on them and all the answers about utilizing this platform. All in all, it is jam-loaded with information on how to showcase your brands using the Instagram Reels in an effective way and inspire sales-oriented actions from your Instagram Page.
