asset If you put these tips into practice your attitude about money will undoubtedly change The road to riches will then be cleared I've broken it all down for you after hours upon hours of studying researching and listening to audio from all of the greats All you're looking at right now is a small yet incredibly effective amalgamation of what I've learned thus far You don't have to put all of these tips into practice right now Nothing is mandatory it is entirely up to you These techniques have shown to be effective in my own experience and in the experiences of others Why not give some or all of these a shot You have nothing to lose but you have everything to gain Why not transform one day into TODAY if you want to start becoming wealthier Begin by reading one page at a time You'll feel a shift in your ideas mood and outlook almost immediately Many practices and techniques from all around the world are included in this book At first it may appear to be a lot but start with one or two at a time Allow the first to become a habit before moving on to the next Find what works best for you Every person is different and if a technique does not appear to be working at first NEVER GIVE UP Try until you reach success
