Afrikaans is a learner friendly guidebook which caters for additional language learners who want to achieve better marks in Afrikaans. This practical guide contains explanations in English and is filled to the brim with examples. It explains tests and exams used for both the DBE and IEB and was written by a panel of educational experts who understand the needs of additional language learners. This book is completely up to date. The Afrikaanse Woordelys en Spelre is AWS has just been re-issued blindsiding many a teacher with the changes in Afrikaans grammar rules. While the AWS is seen as the touchstone for Afrikaans language practitioners, it could be a daunting book to use in the classroom. Afrikaans was written with the most recent changes to the AWS in mind and presents these grammar rules in a clear practical manner. Every chapter in the book also offers free online support exercises, answers and examples which will be kept up to date by the panel. The book contains six sections:

- 1 Comprehension Begrip: This explains how you should approach a comprehension test, how to look for the answers and provides tips on how to understand the questions. It also explains how to make summaries. Visual texts such as cartoons, graphs and maps are also explained.
- 2 Grammar Taal: This is a step by step guide to understanding the how and the why of Afrikaans grammar. You will be guided with English explanations and Afrikaans examples on things like word order, tenses, adjectives, adverbs, time numbers, plural and diminutive forms, the negative, active and passive voice, pronouns, participles and abbreviations. There are sections offering basic knowledge to help the struggling learner through the exam. But there are also more advanced sections for the learner who wants to get an A and for the teacher who wants to become familiar with all the changes in the AWS.
- 3 Literature Literatuur: Everything you need to know about prose, drama, short stories and poetry. What is the difference between a metaphor and a simile? Who is the protagonist and who the antagonist? We use simple explanations and good examples of all these and other literature terms.
- 4 Oral Mondeling: The book contains practical pointers on how to prepare for different kinds of oral, such as interviews, prepared speeches, introducing and thanking a speaker, roleplay, how to make a vlog and how to discuss the booklist you have to read for grade 12. Examples of all these are given and more are provided online.
- 5 Vocabulary Woordeskat: You will always need vocabulary for essays and orals. With the most recent vocabulary on food, technology, life after school, sport and lots more, you will be well prepared.
- 6 Written work Skryfwerk: This section starts with a step by step approach to writing, how to choose a topic, how to do your planning, what not to use in an essay and how to end your story. The examples of all the different types of written work, essays, long and short transactional writing and tips on each, will help you to master each one. Online, you will be able to read through more examples.
