The weekend before school starts, Viv finds the perfect horror game to make her Twitch comeback, and during an offline practice run, an NPC asks Viv for a secret. She decides to tell them the truth about her sister's death, since a game could never share her secret. In doing so, she accidentally welcomes a demonic mimic into her life. No one believes Viv when she tells them about her evil doppelganger. Viv has lied to get her best friend's sympathy and has spread rumors for attention, so why should anyone trust her now? The only person who believes her is Ash, a cute social outcast whom Viv once bullied. In trying to clear her name and kill the mimic, Viv discovers that her lies have hurt people who never deserved it herself.
