discover that it is a cost that may quickly blow budgets and eat into earnings THIS IS ONLY ONE OF THE REASONS WHY SOCIAL MEDIA IS IMPORTANT The world is changing and social media is catching up In today s corporate world social marketing has a huge impact on internet marketing and TikTok is quickly becoming a behemoth in this field Their user base is expanding at a quicker rate than any other social site You are missing out BIG TIME if you are not using TikTok for promotion And if you think it is just for youngsters you are completely wrong So how does this affect you Imagine this you could generate content this week and reach tens of thousands if not hundreds of thousands of people who are interested in you your brand and your business You can get viral or semi viral overnight if you start with no followers and no content Eyeballs people potential customers fans TikTok is currently one of the most popular social media sites and will soon become a marketing powerhouse Because it is fresh compared to Facebook for example there is less competition and the ease with which you may move from nothing to anything is something not to be overlooked It is the same as marketing on Facebook or YouTube in the early years when it was quite simple and yielded incredible results This is a once in a lifetime opportunity You have greatly increased your chances of success by learning how to sell on TikTok the RIGHT WAY You will need TikTok Marketing School to learn how to use TikTok marketing to grow your business Everything you need to know about creating a successful TikTok marketing plan is covered in TikTok Marketing School You will learn What is TikTok and how does it all work How to utilize TikTok to promote your business How to make content that has the potential to go viral How to get started and create an account on the platform How to grow your audience and following How to use TikTok advertisements to boost your performance How to evaluate your outcomes and improve your strategy And a whole lot more DADLY Dollar\$: How Marketing to Dads Will Increase Revenue and Strengthen Families Hogan Hilling, Tom Konecny, Don Hudson, 2017-06-18 The idea of marketing to dads is as unconventional as a dad who chooses to relinquish his role as the primary breadwinner to become the primary caregiver for his family But as the at home dad movement has demonstrated since the birth of the National At Home Dad Network in 1996 it has had a profound impact in the changing role of today s modern dads who now view parenting as a shared responsibility One of which is as the primary or part time shopper for their families Since dads represent half the parenting population this book raises the following questions Why don t companies view marketing to dads as an opportunity to increase revenue and potential profits Why do companies and advertisers continue to ignore the purchasing power of dads Why haven t companies conducted extensive studies on how dads buy products and services and also how to reach and connect with dads Research clearly shows that the dynamics of today s families and role of parents continue to evolve Yet companies and advertisers continue to use old school marketing strategies with mom as its primary target audience Yes the thought of dads as a potential primary or even part time shopper is hard to embrace as it was decades ago when companies shied away from the thought of a woman becoming the primary breadwinner The success of women in corporate America alone should indicate the reason for a change in a company or advertiser s

marketing strategy DADLY Dollars will introduce companies and advertisers to a new untapped consumer dads It will also teach them how to reach and connect with dads market to dads capitalize on their purchasing power and how marketing to dads will increase their revenue profit and brand loyalty In addition it will also show a company the overall benefits to the economy families and communities
