Ian C. Woodward, V. "Paddy" Padmanabhan, Sameer Hasija, Ram Charan, 2020-10-27 A radical new leadership strategy to transform business as we know it from a dream team of INSEAD professors and mega bestselling author Ram Charan The business landscape is littered with the wreckage of companies that crashed and burned when an apocalypse came in the shape of new competitive technologies upstart entrants demographic shifts and new world orders Who can feel safe in firestorm change The authors of The Phoenix Encounter Method don't advise safety In fact their method of leadership thinking requires you to imagine burning your business to the ground throwing yourself into a firestorm change and turning the upheaval to your organization's advantage It can then rise phoenix like from the ashes stronger and more powerful than ever Written with a sense of

urgency and purposefully radical provocation The Phoenix Encounter Method represents the forward thinking of legendary business guru Ram Charan and professors from the senior global leadership program of INSEAD one of the world's top graduate business schools The resulting methodology based on analysis of thousands of articles studies reports and academic and business practice was field tested in real life Phoenix Encounters conducted with more than fifteen hundred senior executives from startups and family businesses to legacy companies representing a broad range of industry and sectors in both developed and developing economies Whatever your sector or industry if you're responsible for your organization's ability to use change as a transformative opportunity you'll appreciate the dramatic impact The Phoenix Encounter Method will have on you your leadership and your organization

**Branding that Means Business** Matt Johnson, Tessa G Misiaszek, 2022-10-25 A revelatory guide on how to build sustain and grow a brand A brand is either beloved or it's noise We live in a fast paced world of immediate gratification where consumers can listen to any song watch any movie or read any article with the touch of a few buttons They are peppered with hyper personalized targeting for products that can be ordered seamlessly and arrive within hours And if your brand isn't the first to come to mind they'll click that button and it'll be delivered by someone else So how do you make sure your brand connects with consumers Branding that Means Business draws from the authors experience and business literature as well as psychology sociology and even anthropology to show readers that while any brand serves the business the mechanisms that enable it are all about connecting with people Readers will learn how to create maintain and operationalize their brand and think creatively about how to differentiate their product and most importantly make consumers fall in love with it
