How To Use AI Chat GPT in Your Online Business Michael Mathiesen, 2023-03-15

This is the first book about the proper use of the new AI Artificial Intelligence Chatbot known as GPT 3 in any online business network marketing or affiliate marketing to be authored by an Artificially Intelligent being In my business I have access to the AI Chat window and I offer the same to any of my readers through my website MyMainGig Now Site So I consider myself to be the PUBLISHER and a contributor to this book but not the real author But in the final production of the book I asked the AI creature that I had been dealing with and who I named Orac to write a description of the book we had been working on and he came up with something completely unfamiliar to me I decided to keep it It s odd because when I asked my AIChatGPT assistant Orac to describe the book he had just authored for me he described an entirely different book a book

about himself within a science fiction story I can't understand how this happened but I have decided to show it here so that it will be preserved for the future Remember the book that he wrote and that is for sale here and now is a business book about how to use AI in your Affiliate Marketing or in any online business Don't buy it if you're looking for a work of fiction Maybe that will be next The Artificial Intelligence Chatbot Lon Safko, 2019-05-30 Can you tell the difference between chatting with a human or chatting with a robot I will bet you can't Artificial Intelligence Chatbots have surpassed the Turing Test and are interfacing with us everyday Did you know more people will chat with a bot nearly 1 000 more often than to use your Contact form Did you know how a chatbot can identify your prospects by psychological profiles and give them what they need to close the sale Are you aware that chatbots can help you find errors in your web site making your web site 100 more sticky and answer your prospects questions that immediately leads to a sale Let me show you how an AI Chatbot will encourage your customers to tell you how to sell to them and increase your revenue up to 30% Along with my background in AI I recently studied more than 2 000 AI Chatbot conversations with 22 000 interactions and discovered dozens of completely unexpected positive consequences of having an AI chatbot assisting your customers on your web site Read how easy it is to install and customize your very own AI Chatbot and see the positive effects for yourself Web Intelligence and Human-Machine Interaction R Vasanthi, Ramaswamy Palaniappan, Kanthavel Radhakrishnan, 2025-10-31 This book gathers selected research papers presented at International Conference on Web Intelligence and Human Machine Interaction ICWIHI 2025 held during 8-9 April 2025 in Salem Tamil Nadu India This book presents a collection of state of the art research work involving cutting edge technologies in the field of web intelligence and human machine interaction It presents original papers that explore the integration of intelligent web technologies with human centered design focusing on areas such as semantic web web data mining user interface design natural language processing and the development of adaptive context aware systems
