The 2nd edition of this market-leading text solidifies the book's place as the go-to guide for students studying the business of fashion. With its truly international approach and host of pedagogical features including abstracts from key Bloomsbury Fashion Business Cases in each chapter, it is the perfect resource for getting to grips with the breadth of issues and concerns facing fashion organizations today. Covering prominent brands such as Prada, Glossier, Nike and ASOS, as well as SMEs like Elvis and Kresse, this text not only prepares readers for academic success but also for the diversity of the real-world fashion industry.

The 2nd edition of **Fashion Management** includes a new chapter on Managing Routes to Fashion Markets, reflecting the growing precedence of digitalization and omnichannel retailing in the contemporary fashion industry. A new chapter on Fashion Law highlights the importance of recognizing and responding to legal issues such as intellectual property law, data protection, consumer law and influencer culture. Substantial new material on ethics, sustainability and Corporate Social Responsibility (CSR) – an understanding of which is vital as calls for transparency in the fashion industry continue to grow – This is an ideal textbook for those studying on undergraduate and postgraduate degree courses in fashion management and fashion marketing. The book is also an important supplementary resource for courses in marketing, retailing and business studies.

Are You Ready To Make Your Business Go Viral With TikTok? It's About Time For You To Learn And Dominate TikTok Marketing For Business.

According to the information presented on the website BusinessOfApps.com, the number of active TikTok users topped 1.2 billion in the month of March 2022. Over six hundred and fifty million people had downloaded the TikTok app by the time the year 2021 came to a close, and 2022 began. TikTok users spent a total of 2.3 billion in 2021 in the form of consumer spending on the platform. One of the reasons for TikTok's appeal is the short video format, which is quite popular, particularly among younger people. This format has gained a lot of traction in recent years. Because TikTok today has more than 1.2 billion active users, it is highly likely that you will be able to locate your target demographic on the network. You are able to locate TikTok influencers that are already well known on the network and collaborate with them to target certain geographic areas. A user is considered to be a micro-influencer by TikTok if they have at least 10,000 followers, and it is common for these individuals to have a sizable following in the region in which they reside. However, it is essential that you have the right mindset and that you develop the necessary skills in order to be able to use TikTok to make your business go viral. Getting the marketing plan for your TikTok channel just right is not a simple feat. On

TikTok numerous companies have wasted their time and resources attempting to sell their brands products and services If you want to get the most out of your efforts to promote your company on TikTok and to create videos for it you need to educate yourself on how to do so in the most effective manner You have a responsibility to educate yourself on the advantages of incorporating TikTok into your online marketing approach as well as the means by which you can amass a greater number of views and followers Here s where my advice for you comes in You will approach the promotion of your business on TikTok and the creation of videos in the right way to achieve the best results You will learn the benefits of adding TikTok to your online marketing strategy You will be able to gain more views and followers on TikTok You will learn proven techniques to get the best results from TikTok You will learn the TikTok marketing mistakes that you need to avoid Plus a whole lot more To make it easy I ve put together a step by step guide that will show you exactly how it s done
