[Business Week](#), 2006 [Documentary](#), 2007 **Canadian Business**, 2005 *Modern Affiliate Marketing for Writers (Early Access)* Dr Mehmet Yildiz, 2025-05-31 The internet and digital world continue to evolve with new processes, emerging technologies and compelling tools. However, the need for sustainable, trustworthy and passive income streams has never been stronger, especially for writers navigating emerging platforms like Substack, Ghost, Patreon, Beehiiv, Medium and Kit. This book is a revised, extended and modernized version of my curriculum for MBA students as well as my previous book *The Power of Digital Affiliate Marketing* published in 2021. This book has helped thousands of writers, bloggers and book authors get started with affiliate marketing and become successful when they put in the time and effort. There is now a need to support new writers using platforms like Substack, Medium, Patreon, Kit and others. I didn't write this book for influencers chasing likes or growth hacks. I have written it for thoughtful content creators including writers, bloggers, book authors and educators who build trust through their words. When you publish long form essays, blog posts, newsletters, podcasts or video tutorials, this guide will help you integrate affiliate marketing naturally into your content without compromising your voice, values or integrity. I cover over 40 topics and here are a few samples: Choose ethical affiliate programs that align with your niche and mission. Use platforms like Kit to build curated product libraries your audience wants. Optimize newsletters, stories, articles and blog posts for affiliate performance without sounding salesy. Set up SEO friendly slugs, meta descriptions and keyword structures. Create simple email sequences that increase trust, engagement and affiliate conversions. Avoid common pitfalls like over promotion, lack of transparency and dependency on platforms you do not control. As a bestselling Substack writer, author of many books in content strategy, builder of online writing communities and longtime educator at the tertiary level, I wrote this based on decades of practical experience starting with revenue share programs in the 1980s through university level curriculum design and now consulting creators who quietly earn with purpose. You do not need a large audience or a tech team to get started. What you need is your voice, your story, your content and the clarity to recommend what genuinely helps your readers. This book will guide, inspire and help you write better, earn fairly and grow intentionally on your terms.
