in theories and opinions I've tested dozens of ways and strategies of making money online. Some proved to be successful while others bombed and served me well as learning experiences. I must've been doing something right as I've managed to accumulate along the way a seven figure fortune. The bottom line is that I've come up with a simple most effective strategy of making money online as a matter of fact this strategy made me a millionaire in the bonus section included within this book. I'll show you exactly how it works so that you too will be able to make tons of money online. Why reveal my methods now? Well I'm semi retired and I've made enough money so that my kids do not have to work one more day in their lives if they so desire. I've had my blessings and now I want to help others succeed as well this is my way to give back. Now look 99% of the folks who try to make it on the Internet follow the same route the same set of activities. They all move in one big herd. Listen in the highly competitive internet business arena when you do the same things as anyone else you don't stand a chance to succeed you are doomed. In order to make money online you must go off the beaten path you need to do something different you need a competitive edge and that is where the strategy presented in this section bonus comes into play. This guide will give you that unfair advantage to boost your sales pile up profits and leave your competitors in the dust. The strategy I show you in this guide is the easiest fastest most effective way to make money online fast. While you are reading this hundreds of people on the Internet are making money like crazy. Why not you? It doesn't require brains or education anyone can do it. As a matter of fact I know of a high school dropout that is making tons of money with this strategy. All you have to do is follow my easy to understand step by step instructions. Once you complete the 4 easy to grasp steps you can just sit back and see the money keeps pouring into your bank account day in day out for years to come. *Small Business Sourcebook*, 2010 *School Library Journal*, 2008
