Resurgent Julian

Birkinshaw, John Fallon, 2025-07-17 A practical handbook examining how established businesses can use their unique advantages to fight back and win in a digital arena too often dominated by tech start ups disruptors and unicorns The big tech companies Alphabet Amazon Apple Meta Microsoft have had an enormous impact on our everyday lives A new wave of start ups in the tech sector has dominated the press and swallowed up huge amounts of investment But what about those established companies in the traditional parts of the world s economies from energy industrial and consumer goods to travel and health They rarely got a mention Everyone was talking about the disrupters the start ups and the entrepreneurs and not about the incumbents This book is a call for a reality check For at the core of our established companies are capabilities and qualities that remain highly relevant in the digital age They are often market leaders for very good reasons they know their customers and markets well and they have great product sales and marketing expertise They are operationally savvy and financially strong with deep insights into areas of expertise that no one else has giving them a unique advantage John Fallon and Julian Birkinshaw have come to a clear conclusion incumbents are not going quietly into that dark night Organizations will need to jettison their analogue baggage and infrastructure and embrace digital transformation They will survive and they will prosper And this shows how they are doing it **Resources in Education** ,1982 *Strategic Communication*

*Research in the Age of AI* Young Joon Lim, 2024-10-14 This comprehensive integrated research methods guide equips students and researchers to conduct effective studies in the evolving field of strategic communication The book covers the entire research process from formulating research questions to analyzing data and presenting findings with a particular focus on navigating the complexities of AI and social media integration While numbers and statistics can be daunting to students integrating statistical methods with traditional approaches allows for more robust research projects and impactful findings Augmenting quantitative and qualitative methods with the latest digital tools and resources Strategic Communication Research in the Age of AI is an accessible guide to researching traditional and social media public relations advertising and marketing communication Features Comprehensive Coverage The book addresses all essential elements of strategic communication research including research design methodologies quantitative qualitative experimental content analysis data collection and analysis including AI tools statistical analysis descriptive and inferential and ethical considerations Focus on AI and Social Media It emphasizes the growing role of AI and social media in communication research providing practical guidance on leveraging these tools for research tasks like data collection sampling analysis and presentation Student Friendly Approach The book is designed for students with clear explanations step by step examples chapter summaries and key questions to reinforce understanding It incorporates real world scenarios and case studies to illustrate research concepts in action Strong Foundation in Statistics Dedicated chapters introduce both descriptive and inferential statistics explaining key concepts and formulas relevant to strategic communication research Focus on Writing and Presentation The book provides clear guidelines for writing research papers in APA style including structure citation

techniques and best practices for presenting research findings It highlights the importance of clear communication and effective presentation in the digital age Instructor Resources Lecture slides and test materials are available on the publisher's website
