When the Lords House Closes Delgado,2025-07 This chapter sets the stage for the book and follows a conventional path increasing the likelihood of reader engagement and that it will influence community practice which quite frankly is the bottom line I do not subscribe to the axiom of advancing knowledge for the sake of knowledge I am much too practical Some readers however may beg to differ Books challenge readers to entertain new ways of thinking on a subject supplying a rationale for the subject s importance Books need major time financial and intellectual commitment to a subject bringing heightened expectations and serving as a key motivator for action Readers have a right to have lofty expectations from a book because of the time invested and that must be confirmed and met by an author It is impossible for an author to suspend their experiences and worldviews from the task of writing a 300 or so page document The more an author uplifts their values motivations biases limitations and experiences both good and bad it allows readers to have a better grasp of why a topic is framed in a particular manner This stance ascends in significance in this journey and more so when it covers religion Readers may ask about my personal stands on religion religious beliefs and houses of worship More specifically although raised Catholic up to my late teenage years I am a member of a Church of Christ congregation because of the values that this church embraces This church too is facing its challenges with dwindling congregations and closures Suffice it to say I respect people s religious spiritual beliefs that are different from mine although I am not a very religious person by nature it is fair to say
