**Creator Culture** Stuart Cunningham, David Craig, 2021-06-22 Explores new perspectives on social media entertainment There is a new class of cultural producers YouTube vloggers Twitch gameplayers Instagram influencers TikTokers Chinese wanghong and others who are part of a rapidly emerging and highly disruptive industry of monetized user generated content As this new wave of native social media entrepreneurs emerge so do new formations of culture and the ways they are studied In this volume contributors draw on scholarship in media and communication studies science and technology studies and social media Internet and platform studies in order to define this new field of study and the emergence of creator culture Creator Culture introduces readers to new paradigms of social media entertainment from critical perspectives demonstrating both relations to and differentiations from the well established media forms and institutions traditionally within the scope of media studies This volume does not seek to impose a uniform perspective rather the goal is to stimulate in depth globally focused engagement with this burgeoning industry and establish a dynamic research agenda for scholars teachers and students as well as creators and professionals across the media communication creative and social media industries Contributors include Jean Burgess Zo Glatt Sarah Banet Weiser Brent Luvaas Carlos A Scolari Dami n Fraticelli Jos M Tomasena Junyi Lv Hector Postigo Brooke Erin Duffy Megan Sawey Jarrod Walzcer Sangeet Kumar Sriram Mohan Aswin Punathambekar Mohamed El Marzouki Elaine Jing Zhao Arturo Arriagada Jeremy Shtern Stephanie Hill *Advancing the Story* Debora Halpern Wenger, Deborah Potter, 2018-08-17 This textbook takes a systematic approach to teaching broadcast and multimedia journalism to students Easy to follow and very relatable for students Visually appealing Love this textbook Beth Bingham Georges California State University Fullerton Updated Edition of Bestseller It s a multimedia world and today s journalists must develop a multimedia mindset How does this way of thinking change the newsgathering and news production processes Having conceived of and written their book in this changed media landscape broadcast veterans Wenger and Potter seamlessly build on the fundamentals of good news reporting while teaching students to use depth interactivity and immediacy as they maximize the advantages of each platform While retaining the book s clear instruction and advice from those in the trenches *Advancing the Story* Fourth Edition has been updated to reflect the latest issues and trends with greater emphasis on social media and mobile media to gather promote and disseminate news content expanded coverage of media ethics and media law extended examples of effective reporting across multiple platforms updated writing exercises and new resources for reviewing AP style and additional interviews with journalists at the forefront of industry changes **Copyright and Anonymity in the Creative User-Generated World** Rachel Maguire, 2025-05-01 This book explores the relationship between copyright law online anonymity and creative user generated content CUGC Presenting original empirical findings the book evaluates the co existence of copyright law and normative systems regulating a CUGC landscape made up of artists photographers and writers and makes novel recommendations for copyright reform It takes a

multi jurisdictional approach across Anglo American and EU legal systems using the UK USA and Germany as representative jurisdictions for legal analysis Qualitative findings are drawn from creators and communities on Reddit and 4chan Copyright subsists in much CUGC but pervasive anonymity makes it difficult for the law to regulate it effectively Simultaneously anonymity offers creative benefits in a way that highlights flaws in traditional justifications of copyright Comparisons between community norms and copyright law identify practical differences but also fundamental compatibilities in terms of ownership expectations However the simultaneous existence of legal and normative enforcement mechanisms complicates matters for creators and potential users with negative implications for creativity and copyright law While existing reform efforts have made suggestions to create a UGC exception these overlook and undermine the role of CUGC creators as copyright holders This can be addressed through the consideration of a framework of supplementary CUGC guidelines when developing such reforms This valuable resource for researchers and students provides a distinct perspective in framing CUGC creators as copyright holders examining online anonymity as a pivotal factor influencing regulation
