How America Lost Its Mind

Thomas E. Patterson,2019-10-03 Americans are losing touch with reality On virtually every issue from climate change to immigration tens of millions of Americans have opinions and beliefs wildly at odds with fact rendering them unable to think sensibly about politics In How America Lost Its Mind Thomas E Patterson explains the rise of a world of alternative facts and the slow motion cultural and political calamity unfolding around us We don t have to search far for the forces that are misleading us and tearing us apart politicians for whom division is a strategy talk show hosts who have made an industry of outrage news outlets that wield conflict as a marketing tool and partisan organizations and foreign agents who spew disinformation to advance a cause make a buck or simply amuse themselves The consequences are severe How America Lost Its Mind maps a political landscape convulsed with distrust gridlock brinksmanship petty feuding and deceptive messaging As dire as this picture is and as unlikely as immediate relief might be Patterson sees a way forward and underscores its urgency A call to action his book encourages us to wrest institutional power from ideologues and disruptors and entrust it to sensible citizens and leaders to restore our commitment to mutual tolerance and restraint to cleanse the Internet of fake news and disinformation and to demand a steady supply of trustworthy and relevant information from our news sources As philosopher Hannah Arendt wrote decades ago the rise of demagogues is abetted by people for whom the distinction between fact and fiction true and false no longer exists In How America Lost Its Mind Thomas E Patterson makes a passionate case for fully and fiercely engaging on the side of truth and mutual respect in our present arms race between fact and fake unity and division civility and incivility
